TRUSTEES' ANNUAL REPORT

for the financial year ended 31 March 2025

Review of Activities, Achievements and Performance

During the year we provided high quality projects and services and combined this work with our role as a sub-regional network and community development support organisation. We collaborated with a wide range of partners, hosted several seminars and responded to a range of consultations. We continued to advocate on behalf of the Com/Vol sector in relation to economic development, community infrastructure, health & wellbeing and community engagement.

Through our social enterprise (Ballybot House and An Stóras) we delivered affordable office accommodation, retail, day-care and venue hire/conference facilities. These revenues together with other generated income in our Resource centre and back-office generated approximately 54% of total "normal" revenues (excluding Hardship / cost of living funding) in the period.

We provided capacity building, advice and support to a wide range of local community groups in areas such as :

- Assistance with drafting Constitutions
- Guidance on organizational structure and development
- Risk assessments and Insurance,
- Financial control and management,
- Grant-tracker advice and help with grant applications for project activity,
- Access N.I. Enhanced Disclosure Checks.

Through the Neighbourhood Renewal Programme the Confederation has been able to offer weekly support to community associations in the most deprived areas of Newry City. This work has seen continued improvement in governance structures within local groups and has facilitated the delivery of a varied range of services and activities in local areas.

Outside Newry City we worked with a wide range of additional community and voluntary groups assisting them with volunteer recruitment and engagement and ongoing volunteer management support.

We assisted 19 groups in relation to Charity Registration, accounting, reporting and compliance. We provided additional training, operational planning and sourcing of funding with many groups. We continued to take an active role in Community Planning (with the engagement process between the statutory bodies and the com/vol sector) through our membership of local DEA Forums.

We facilitated and delivered 28 community development training sessions to 229 participants across the Newry and Mourne area in a wide range of courses including good governance and compliance, safeguarding, first aid, cyber security and suicide awareness

We continued to deliver the cross-border Circle of Learning project. This innovative project is funded by the Department of Foreign Affairs, Reconciliation Fund, and project managed by Co-Operation Ireland.

Older Peoples Community Programme:

In the CCG's Good Morning project we have consolidated our volunteer base which now stands at more than 100 volunteers. We expanded our volunteer network hubs, and continue our work engaging with key Health Trust teams. We have established additional community volunteering hubs in both the Newry & Mourne and ABC Council areas in partnership with groups such as ABC Network Portadown and the West Armagh consortium, Armagh men's Shed and The Vibe Armagh.

Cost of Living / Hardship Issues:

We continued to act as com/vol sector representatives on NMDDC's Community Coordination Hub (CCH) and have engaged with statutory departments and others to help coordinate the response to Hardship and the cost-of-living crisis. We completed the Hardship Funding programme via our "EOI and Trusteed Partner scheme" and engaged with the com/vol sector in the Newry, S Armagh and S Down area including food banks, SVdP etc.

We also secured an additional £25k funding programme for people struggling to pay utility bills (funded by Newry Credit Union).

We helped coordinate Norbrook Laboratories "We Care at Christmas" programme (including distribution of cooked food, food hampers and toys) over a six-week period up to Christmas and included 3 "older peoples" meals hosted at Norbrook headquarters.

Reserves Position and Policy

The Trustees consider it prudent to hold monies in reserve in the event that unforeseen circumstances should lead to financial difficulties which might put the future of its employment capacity and general charitable work in jeopardy. The policy is to maintain a level of free reserves which meets the needs of the organisation both at the current time and in the foreseeable future. Free reserves are its total funds excluding restricted funds, designated funds or income funds.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

for the financial year ended 31 March 2025

The trustees, who are also directors of The Confederation of Community Groups of Newry & District for the purposes of company law, are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the trustees as the directors to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the net income or expenditure of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

As explained in note 3, state whether the applicable in the UK and Republic of Ireland FRS 102 has been followed;

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006 and. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information (information needed by the charity's auditor in connection with preparing the auditor's report) of which the charity's auditor is unaware, and
- the trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Confederation of Community Groups of Newry & District

(A company limited by guarantee, not having a share capital)

Report on the audit of the financial statements

Opinion

We have audited the charity financial statements of The Confederation of Community Groups of Newry & District ('the charity') for the financial year ended 31 March 2025 which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In our opinion, when reporting in accordance with a fair presentation framework the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act (Northern Ireland) 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Annual Report has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Confederation of Community Groups of Newry & District

(A company limited by guarantee, not having a share capital)

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Trustees' Annual Report.

Responsibilities of trustees for the financial statements

As explained more fully in the Statement of Trustees' Responsibilities set out on page 8, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the charity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Confederation of Community Groups of Newry & District

(A company limited by guarantee, not having a share capital)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the charity.

Performance-based conditions: whereby the charity is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the charity meets the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

Time-based conditions: whereby the charity is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases, the charity recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the charity is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

Expenditure

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement, and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the charity but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measures for each activity.

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other financial fixed asset investments together with any related tax credit is recognised in the income and expenditure account in the financial year in which it is receivable.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the charity from government agencies and other co-funders, but not yet received at the financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

Taxation

No current or deferred taxation arises as the charity has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

3. GOING CONCERN
