COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Trustees' Report for the year ended 31 March 2025

The Trustees present their report with the audited financial statements for the year ended 31 March 2025. The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019".

Management Structure

Community Advice Ards and North Down is an independent local charity, run by local people for the benefit of local people. CAAND was formerly Citizens Advice Ards and North Down and part of the UK wide Citizens Advice service. The Citizens Advice brand was withdrawn from Northern Ireland in 2018 requiring implementation of the name change to Community Advice Ards and North Down (CAAND) with effect from January 2019.

CAAND is a member of AdviceNI the independent advice network. CAAND subscribes fully to AdviceNI membership criteria which include the requirements to be independent of central or local government control, non-profit making, providing advice free and accountable to the community.

CAAND is governed by its board of trustees, which is drawn from the local community. The members are charity trustees and company directors who are collectively responsible for the governance, including setting an overall vision and making strategic decisions. The board ensures there is effective planning, financial management and control plus compliance with charity law/company law and other relevant legislation.

In practice, day-to-day management is delegated to a manager who is also responsible for quality and service delivery. The board holds staff accountable while carrying ultimate responsibility for the activities of the organisation.

Trustee Board

Trustees are elected at the Annual General Meeting. Officers are elected by the trustees at the first meeting after the AGM. The board normally meets monthly throughout each year. The board may delegate any of their powers and duties to a sub-committee comprising at least three Board members; there are three sub-committees within the board dealing with Finance, Planning and Staffing matters. The chair of the board is ex officio on all committees and the managers act as facilitators.

CAAND aims to ensure the members of the trustee board reflect the local community and trustees are provided with appropriate training as required.

Risk Assessment

CAAND undertakes timely risk assessments and the results are used to inform financial and business planning for contingency

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Trustees' Report for the year ended 31 March 2025

Purpose and Aims

1. To ensure that individuals do not suffer through:

- lack of knowledge of their rights and responsibilities;
- lack of knowledge of service available to them;
- an inability to express their needs effectively.

2. To exercise a responsible influence on the development of social policies and services both locally and nationally.

CAAND aims to achieve its purpose by:

- providing free, confidential, independent advice and assistance for the people in the community, regardless of religion, race, sex, disability or sexuality;
- contributing to the development of social policy from the experience of working with clients;
- managing operations within available funding and in compliance with regulatory, statutory and AdviceNI membership requirements ;
- developing its staff and systems to respond to business needs, arranging appropriate training for volunteers, staff and trustees so as to ensure the delivery of quality services to clients;
- making people aware of the work of CAAND;
- working effectively with its main funder, Ards and North Down Borough Council, to maintain the efficiency, effectiveness and economy of its service delivery;
- networking within AdviceNI and similar organisations in Northern Ireland.

Services provided

CAAND's core contract is with Ards and North Down Borough Council and provides a general advice service through an appointment and drop-in service, plus telephone advice from offices in Bangor, Newtownards and Holywood. Weekly advice sessions are also available at 10 outreach advice clinics, to give citizens throughout the Borough Council's geographic area access to CAAND's services.

Other services available include Specialist Debt Advice (funded by Ards & North Down Borough Council core funding) and Tribunal representation (social security).

Additional Advice Projects

CAAND provides additional advice services under a number of other funded projects including Welfare Reform, Debt Action, Advocacy Representation (funded by The National Lottery) and Macmillan Cancer Care advice services based in the Ulster Hospital, Dundonald.

In the 2024/25 year, across all projects, CAAND provided advice, help and support to over 10,000 people, dealing with almost 30,000 issues. The total income generated for our clients was over £6.1 million.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Trustees' Report for the year ended 31 March 2025

Public Benefit Statement

The trustees confirm that they have complied with their duty as prescribed by section 4 of the Charities Act (Northern-Ireland) 2008 to have due regard to the Charity Commission for Northern Ireland public benefit guidance.

- CAAND records client statistics relating to disability and ethnicity in order to assist identification of under use by client groups.
 - Posters stating the service's commitment to equality, diversity and non-discrimination are displayed in public areas in the CAAND offices.
 - Promotional material is prepared and distributed as widely as possible.
 - CAAND has on display as many leaflets in many languages relating to benefits, services and employment.
 - CAAND has an up to date child protection policy.
- Copies of CAAND's Strategic Plan and Annual Operational Plan were available on request.

Social Policy

Throughout the 2024/25 year, actions continued to achieve CAAND's second purpose of exercising a responsible influence on the development of social policies and services to improve the lives of people in the community. Drawing on the evidence of advisers' work in providing advice and helping people, CAAND prepared quarterly Social Policy reports to assist in raising awareness of evidence of shortcomings in laws, policies and public services. These reports were shared with MPs, MLAs and Councillors and provided to the regional organisation Advice NI to support lobbying on social policy issues.

Financial Review

CAAND's funding contract with the Ards and North Down Borough Council provided core funding for the three-year period from 1 April 2021 plus options for the annual renewal of the contract to March 2026.

As well as this core funding, other sources of income for the 2024/25 year included:-

- Funding from Macmillan Care for the advice project based in the Ulster Hospital
- Funding from the Department of Communities for employment of advisers to meet advice demands and assist with appeals arising from Welfare Reform
- Funding from the National Lottery for Advisors to represent clients at tribunal hearings
- Funding provided via Advice NI for the Debt Action project
- Funding provided by The Headley Trust to allow for an advisor to specifically advise on issues impacting on older people
- Funding provided by the Trussell Trust to facilitate an advisor being present at Bangor Foodbank

The combination of the above funding has enabled CAAND to finish the 2024/25 year with a surplus of income over expenditure amounting to £60,446.

Reserves Policy

The trustees reviewed and reaffirmed the policy to achieve reserves in unrestricted funds equivalent to up to six months of CAAND's annual operating expenditure.

Going Concern

The trustees have a reasonable expectation that the organisation has adequate resources to continue in operational existence for the foreseeable future. In arriving at this conclusion, the year to date budgets for 2025/26 and current cash position were reviewed. For this reason they continue to adopt the going concern basis in preparing the financial statements.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Trustees' Report for the year ended 31 March 2025

Statement of Trustees' Responsibilities

The trustees (who are also directors for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors are deemed to be reappointed in accordance with Section 487(2) of the Companies Act 2006.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report was approved by the Board on 21st October 2025 and signed on its behalf by

Louise Togneri
Trustee

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Independent auditors' report to the members of COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Opinion

We have audited the financial statements of COMMUNITY ADVICE ARDS AND NORTH DOWN LTD for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, for the Year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the accounts and our auditors report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Independent auditors' report to the members of COMMUNITY ADVICE ARDS AND NORTH DOWN LTD continued

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

the information given in the trustees' Report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; and
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' Responsibilities, the trustees, who are also the Directors of the charity for the purpose of company law, are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the committee determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified the areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements and risks of material misstatement due to fraud, using our understanding of the entity's industry, regulatory environment and other external factors and inquiry with the Trustees. In addition, our risk assessment procedures included: inquiring with the Trustees as to the charities policies and procedures regarding compliance with laws and regulations and prevention and detection of fraud; inquiring whether the Trustees have knowledge of any actual or suspected non-compliance with laws or regulations or alleged fraud; inspecting the charities regulatory and legal correspondence; and reading Board minutes.

We discussed identified laws and regulations, fraud risk factors and the need to remain alert among the audit team.

The charity is subject to laws and regulations that directly affect the financial statements charity and financial reporting legislation. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items, including assessing the financial statement disclosures and agreeing them to supporting documentation when necessary.

The charity is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law, environmental law.

Auditing standards limit the required audit procedures to identify non-compliance with these non-direct laws and regulations to inquiry of the Trustees and inspection of regulatory and legal correspondence, if any. These limited procedures did not identify actual or suspected non-compliance.

We assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. As required by auditing standards, we performed procedures to address the risk of management override of controls. On this audit we do not believe there is a fraud risk related to revenue recognition. We did not identify any additional fraud risks.

In response to risk of fraud, we also performed procedures including: identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation; evaluating the business purpose of significant unusual transactions; assessing significant accounting estimates for bias; and assessing the disclosures in the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

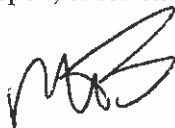

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

In addition, as with any audit, there remains a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditors-responsibilities>. This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Notes to the financial statements for the year ended 31 March 2025

1. Accounting policies

Company information

Community Advice Ards and North Down is a Company limited by guarantee, registered in Northern Ireland. The address of the registered office is Hamilton Road Community Hub, 39A Hamilton road, Bangor, Co Down, BT20 4LF.

1.1. Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

1.2. Going concern

At the time of approving the accounts the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3. Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4. Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Investment income is recognised once the income has been declared and notified to bank accounts.

1.5. Resources expended

All expenditure is accounted for on an accruals basis.

Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Notes to the financial statements for the year ended 31 March 2025

..... continued

1.6. Tangible fixed assets and depreciation

Tangible fixed assets are initially recorded at cost and subsequently stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	10% Straight line
Fixtures, fittings and equipment	-	25% reducing balance

1.7. Impairment of fixed assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated, and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in surplus or deficit unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.8. Cash at bank and in hand

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Notes to the financial statements for the year ended 31 March 2025

..... continued

1.9. Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

COMMUNITY ADVICE ARDS AND NORTH DOWN LTD

Notes to the financial statements for the year ended 31 March 2025

..... continued

1.10. Provisions

Provisions are recognised when the Company has a legal or constructive present obligation as a result of a past event, it is probable that the Company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting end date, taking into account the risks and uncertainties surrounding the obligation.

Where the effect of the time value of money is material, the amount expected to be required to settle the obligation is recognised at present value. When a provision is measured at present value the unwinding of the discount is recognised as a finance cost in profit and loss in the period it arises.

1.11. Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

1.12. Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
