

## **Independent Auditor's Report**

### **Opinion**

We have audited the financial statements of Triangle Housing Association Limited for the year ended 31 March 2024 which comprises the statement of comprehensive income, the statement of changes in reserves, the statement of financial position, the statement of cash flows and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice) and the Housing SORP – Statement of Recommended Practice for social housing providers issued by the National Housing Federation.

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2024 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and have been properly prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act (Northern Ireland) 2016 (formerly the Industrial and Provident Societies Act (Northern Ireland) 1969).

### **Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Board of Management's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Board of Management have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The other information comprises the information included in the Report of the Board of Management other than the financial statements and our auditor's report thereon. The Board of Management is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in so doing, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

## **Opinion on other matters prescribed by the Companies Act**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Board of Management for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Board of Management has been prepared in accordance with applicable legal requirements.

## **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Board of Management.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

## **Responsibilities of the board of management**

As explained more fully in the Board of Management responsibilities statement the Board of Management is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board of Management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Board of Management either intend to cease operations, or have no realistic alternative but to do so.

## **Independent Auditor's Report (cont'd)**

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: timing of recognition of income; and posting of unusual journals along with complex transactions. We discussed these risks with client management, designed audit procedures to test the timing of income, tested a sample of journals to confirm they were appropriate and reviewed areas of judgement for indicators of management bias to address these risks.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### **Use of our report**

This report is made solely to the Board of Management, in accordance with Article 38 of the Co-operative and Community Benefit Societies Act (Northern Ireland) 2016 (formerly the Industrial and Provident Societies Act (Northern Ireland) 1969). Our audit work has been undertaken so that we might state to the Board of Management those matters that we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Board of Management, for our audit work, for this report, or for the opinion we have formed.
