Public benefit reporting

We seek to proclaim the Gospel of our Lord Jesus Christ, as outlined in the scriptures, so that those in the local community will hear the Good News of Salvation. The benefit which flows from our purpose is that through attending Sunday Services and midweek Bible Study Meetings, the regular congregation along with visitors will get to know God in a deeper, fuller and personal way.

In 2023 our year began with our usual schedule of open church meetings taking place as listed above. These activities provided public benefit within the local community and further afield. Beneficiaries include those who are in attendance at the regular meetings and to those for whom aid, and assistance is provided across the globe through our missionary support.

In addition, the church website was constantly updated over the past year. We expect this to be of ongoing benefit as we seek to glorify God in our community and nation.

Future Plans.

It is the intention of the trustees to continue and develop the activities of the church to fulfil our charitable purpose.
