

Friends of St Brigid's Association

The work of the FOSBA has continued this year, on a smaller scale, to organise and manage the activities of the association for the benefit of the local community and to allow members of the community to actively engage in the life of St Brigid's College and the wider community.

FOSBA worked in partnership with other local community groups to organise a Summer Family Fun event which was held in the grounds of St Brigid's College at the beginning of September. The event was opened to the public and there was live music, bouncy castles, face painting and arts and crafts as well as refreshments and a barbecue.

Members and volunteers of FOSBA have worked in partnership with the school to organise and deliver extra-curricular activities for pupils in Years 8 & 9 through the ASPIRE programme.

I would like to thank everyone who has contributed in any way to the events and work of Friends of St Brigid's Association during the past year.

Peter McDonald
