Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the St. John's Church of Ireland Parish is to support the advancement of the Christian religion by promoting, through the work of the St. John's Church of Ireland Parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the St. John's Church of Ireland Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of the St. John's Church of Ireland Parish.

Achievements, Performance & Public Benefit

Worship and prayer, is facilitated by Sunday Services which are held every week at St. John's Church, on the first Sunday in the month Holy Communion is celebrated and a family service is held on the third Sunday in the month. Additional services are held on special occasions including Easter and Christmas with thanksgiving services at Harvest in keeping with our rural parish these receive considerable wider community support.

Pastoral care, the Rector provides such to all parishioners and in particular to those who are suffering illness or who are under stress through peculiar circumstances. This includes regular visits to parishioners nearing the end of their time on earth. Visits to the elderly and infirm, those unable to attend their church are also carried out on a regular basis. This includes Funerals and the associated Thanksgiving Services for parishioners who have passed away.

Mission and outreach work, at home mission is pursued through a small craft group which gathers people from within and without the church parish to join in activities which on occasion contribute to events within the Church's calendar year. St. John's Church are involved in the support of the Diocese of Olo in South Sudan with links through the Church Missionary Society (CMS) donating funds when possible and supporting through prayer.

Parish groups, cover a number of distinct areas:-

Sunday School which is held during the educational year before Sunday Morning Services for 45 minutes. Children are provided with guidance and activities as a basis to nurture life in the Christian ideal and on the third Sunday of each month take an active part in Family Service

Mothers Union which represents both St. John's Parish and our nearby sister church of St. James where the aim is to meet the objectives of Mothers Union in Ireland. With thirteen active enrolled members, guest speakers are invited to meetings held every month in alternate church venues. The committee organises a programme which is designed to encourage, educate, raise awareness of social issues both locally and of the worldwide community, and in the spirit of Christian fellowship, support others both prayerfully and tangibly. The members also continue to cement links with other branches, as well as attending area services and council meetings. One of the main aims for the forthcoming year is to encourage more members from both Parishes to attend Mothers Union.

St. John's Women's Institute (W.I.) has a close attachment to the church where the objectives of the organisation are progressed. The W.I. has contributed to events run by St. John's Parish involving not only members of the Church, but also members of the local area

The Hillsborough Healer Prayer Group which is affiliated with Churches Ministry of Healing is held in St. John's Parish and draws people from our sister church St. James and St. Malachy's Parish Hillsborough, as well as intercessors from other denominations.

The Group meets on a monthly basis to provide support to those who are sick through prayer. At least twice a year we have special speaker who comes to the meeting and speaks on the subject of prayer. We give annually to the Churches Ministry of Healing.

The Mission Committee which represents both St. John's Parish and our nearby sister church of St. James where the objectives of mission are progressed. Ideas for events are raised a programme is drafted and people nominated to take forward those agreed for the year ahead. These always include some funds being set aside for other Christian charitable causes. Special events which took place during the year included a coffee morning in the nearby Ballygowan Mission Hall.

Christian witness and outreach are delivered through regular support to various charities Church Missionary Society Ireland, Church's Ministry of Healing, NI Hospice, Marie Curie, Pancreatic Cancer, Via Wings and Salvation Army. Some responding with visits and presentations of their work to the congregation at our Morning Service.

The **Child protection Policy** of St. John's Church is in accordance with the guidelines provided by the Safeguarding Turst

Financial Review

Total receipts on unrestricted funds were £66,050, voluntary donations £5,607 was from Gift Aid. The Glebe Land continues to be let out and provided a gross income of £1,877 in 2022. In addition there were receipts on restricted funds of £13,816 mainly in respect of fund raising/donations/transfers for the Parochial hall fund.

The planned giving through envelopes and bankers orders increased by £1,783 (6%) whilst Gift Aid increased by £1,279 (30%). Total income (excluding any transfers) decreased by 37%. This is primarily due to the receipt of some restricted funds from the sale of the school for the parochial hall fund in 2021.

£48,636 was spent from unrestricted funds to provide Christian ministry this included Stipend payments of £12,112 in relation to the Rectors salary.

The sum that each parish has to pay in relation to the Rectors Salary, Rectory and Glebe Land cost are determined by a formula based on the number of families per church. The split is currently 34/66 with St Johns paying the greater share.

The net result for the year, excluding restricted receipts/payments, was a surplus of £17,414, which is a small decrease on the previous years surplus of £18,913.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 2022 can be signed off as a going concern.
