***Recruitment and Appointment of Select Vestry (Trustees)***

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. **Notes to the financial statements for the year ended 31 December 2024**

**1. Accounting policies**

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

**(a) Receipts and Payments Account**

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

**(b) Statement of Assets and Liabilities**

**(i) Assets retained for the Parish's own use**

The assets of the Parish, retained for its own use comprise of: -

- Church Building and Graveyard
- Parish Centre
- Rectory

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Centre is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost, being the estimated fair valuation of the property for rates purposes. No depreciation has been provided on the Rectory as the current estimated residual value is not less than the carrying value and the remaining useful life currently exceeds 50 years.

**ii) Investments**

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.
