Achievements of the Project : The project aims have been met as there are a very high level of attendance from different communities , connecting with each through culture enhances intercultural communication for mutual respect and promote diversity Our children and young people and volunteers were proud of their unique identity and attendees learned more of Filipino culture.

Restrictions on who can benefit : We have not charge anyone on this project . Also the venue has access to facilities regardless of anyone and has been risk assessed by one of the management committees. Due to covid-19 pandemic we have to restrict the numbers of participants at one time and also source out outdoor venues that can facilitate social distancing.

1.3.2 – Kabalikat Welcomes Project –ongoing

Beneficiaries: Filipino community members, BME communities and local public

Activities: This has been an ongoing project since April 2017 .Kabalikat welcomes international nurses who are working for public and private sectors. As nurses are integral part of the healthcare, and Kabalikat truly understands the obstacles and barriers of coming to a new country, culture, weather, accents and the homesickness and feeling of isolation away from home and family, Kabalikat, Derry City and Strabane District Council, Western Health and Social Care Trust, BME and local communities have pledged their support to integrate them to the workforce and to the local community. Due to social distancing, only one Kabalikat representative welcomes the new arrivals.

1.3.3 Christmas Togetherness Event 2022

Kabalikat held a togetherness event for the Filipino community members, their families and friends to help in the feeling of isolation. The event showcase traditional games, gift-giving, a taste of Filipino food and delicacies and precious moments of social integration and networking.

1.3.4 Participation outside our community

I. Kabalikat aims to develop programmes of activities with wider communities and that is why we put high regard on the importance of participating to projects of different communities.

1.3.4 -A. St Patrick's Festival – Kabalikat participated in one of the biggest parades with colourful outfits to celebrate the spring festival, legend of St Patrick dates back more than 1,000 years and a celebration of Irish culture.

1.3.5.2 Kabalikat Annual General Meeting

Kabalikat in North West held a successful Annual General Meeting on the 18th March 2023 at Foyle arena, Limavady Road, Londonderry. Chairperson's report, Treasurer's report, summary of activities for the past year , future projects , renewal of membership and new membership are some of the activities of the day.

2- Advancement of Citizenship and community development

Purposes : Kabalikat in North West is established to advance for public benefit, community development and cultural richness in any charitable way through the promotion of community development through social, cultural, educational and economic projects undertaken either independently or in partnership with other organisations and charities in Northern Ireland.

Activities :

Kabalikat has developed a programme in particular the “Shared Spaces for All” during Good Relations Week 2022 where our community and wider communities integrate and interact through various activities such as dance, physical sports and traditional games shared with different communities in Derry and Strabane District Council areas.

Kabalikat has participated in Race Equality Action Plan which is a part of Police Service of Northern Ireland’s initiative to improve Good Relations and community safety. The engagement provided opportunities for our community representatives to promote the City, towns and villages as safe and welcoming places for all people by sharing their experiences and measures to improve the Police service’s engagement with ethnic diverse communities.

Through social, educational, cultural, sporting activities held throughout the year, Kabalikat in North West has promoted social inclusion as invites are open to all regardless of age, sex, gender, race, nationality, religious and political backgrounds and so the charity’s purposes are intended to benefit the public in general.

We have active volunteers to date of different ages and gender and they all assisted in registration, setting up venues, risk assessment, ushering of attendees, feedback collection, stewarding, cultural performances and more.

Kabalikat in North West has extended our participation to different Communities Derry City and Strabane District Council’s Peace IV projects and have positive effects on our participation as it increases the awareness of diversity and all are voluntary sectors and some are underrepresented groups.

Through our participation to voluntary organisations, we assisted in extending their activities to further benefit the public. Kabalikat in North West is an entirely voluntary organisation and has no paid staff and rely on volunteers. Aside from our 7 volunteer Trustees, we have additional 12 active volunteers.

Through membership to Foyle Racial Equality Forum (FREF) comprises of 18 different organisations and mostly voluntary, we work to mainstream Racial Equality and our very own Project Coordinator is sitting as a board member for 4 years running.

Beneficiaries : Filipino community members and families, BME Communities and local organisations across the North West area.

Overall Achievements : Kabalikat in North West with all activities have achieved its purposes for the public benefit for (1) advancement of culture, arts, heritage and science and (2) advancement of citizenship and community development. We have been a full member of Foyle Racial Equality Forum comprises of 18 different BME community organisations, statutory and non-statutory to include the PSNI, Western Health & Social Care Trust and the Housing Executive. We have arranged programme of activities directed for public benefit for promotion of diversity, inclusion, social integration, promotion of our Philippine culture through music, dances, food, language, history classes and arts and craft workshops in a positive way and have extended invites and participation to all regardless of backgrounds. We also actively participated in different activities of different local and BME groups including the local Council 's Good Relations initiative promoting diversity and intercultural sharing. As evident by increase membership , our community members are more engaged and increase in participation.

Kabalikat statement to Public Benefit Guidance :
