***INDEPENDENT REVIEW REPORT OF THE ACCOUNTS OF CORRAN COMMUNITY ASSOCIATION  
(NIC101892) FOR YEAR ENDING 31 MARCH 2021***

*Having reviewed the statement of accounts of Corran Community Association I believe their statement of affairs is an accurate representation of their accounting year to March 2023 and they remain a sustainable charity. This is a small charity with very small numbers and levels of transactions. Their accounts have been prepared on a cash income and expenditure basis and their bank position is solvent and likely to remain so.*

*I have detected no matters which would give me any cause for concern with regard to how the charity has conducted its financial affairs.*
