## Summary of Main Activities

The main activities of our Group are to provide a good range of services and activities for our community in a rural area. We aim to provide social interaction and learning opportunities for all sections of the community and for all ages; to develop and enhance community spirit, community relations and civic pride; and encourage integration and reduce loneliness.

Through operating our social activities to the people living in this area the charity has benefited them by improving their health and well-being and reducing their social isolation. We promoted learning through our information, craft and exercise classes, etc; and inclusivity through opening our events to all local people.
