All payments in 2022 were paid on receipt and in full.

Management.

The Finances are managed by the Treasurer who reports back to the Trustees at Finance and Select Vestry Meetings on a regular basis (monthly) or in-between if necessary. Trustees are elected each year at the Easter General Vestry.

The security and safeguarding of all monies is important to the Trustees and all monies are counted and banked regularly.

A Safeguarding Trust Panel is in place to ensure compliance with current legislation. Current Panel Members: Revd. Louise Stewart, Dr. Cormac O'Brien and Mrs Valerie Doherty.

A monthly "working party" directed by the Glebe Wardens normally undertakes the routine maintenance of the parish buildings and grounds.

The parish estate is inspected every five years by a Diocesan approved surveyor who will produce a Quinquennial Inspection Report. This report provides a detailed snapshot of the condition of buildings and gives clear guidance to the Trustees in how to manage the properties and prioritise any essential work. An inspection is due early 2023.

Purpose.

The principal function of the Parish is to support the advancement of the Christian religion by promoting through the work of the Parish the whole mission of the Church, pastoral, social and ecumenical.

All the functions of the Parish relate to the advancement of religion through holding regular worship and communicating with and caring for parishioners of all ages, especially the sick and elderly and others in our community. The Parish Church is a listed building due to the complete set of stain glass windows.

Public Benefit.

The Charity Trustees have complied with their duties in line with the Commission's Public Benefit statutory guidance.

Regular worship was shared with our grouped parish, The Church of the Epiphany Upper Malone.

During the year the Parish has aided a number of Trussell Trust food bank distribution centres to help the disadvantaged in our area. Asylum seekers and refugees were supported by donations of clothes and toiletries to NICRAS. The Mothers' Union Group within the parish continue to provide knitwear for local neo-natal units, wash bags for Women's Aid and to people who have been rushed to hospital in an emergency. Monies were also raised for The Bishops Appeal and CMS for the disadvantaged worldwide.

A Friendship Group from the Grouped parishes meets monthly during the winter months to enable the elderly and housebound in the area to pray, socialise and enjoy good company.

The Parish affiliated uniformed organisations (Rainbows, Brownies and Guides) draw members from all denominations and none.

The Choir Scholarship Scheme offers school children and students the opportunity to sustain choral music within the Parish and at the same time develop their musical talent.

When and where possible various activities and services were shared with the other churches in the Finaghy district.

The church halls are regularly used by community organisations in the locality as they boast "less abled" access and other appropriate facilities.
