

Trustees Report September 2017 - September 2018

Once again, we the Trustees of Crumlin United Senior Citizens Club have had a very successful year. We have offered our Seniors a place to meet and socialise whilst enjoying a game of Bingo, a Quiz or Boccia. Tea as always is provided by our volunteers and throughout the year we invite various speakers to the club. Our summer outing is always enjoyed by all and a much needed break from routine.

The following summary of the years events will give a taste of what we offer - outside of the fortnightly Bingo, Afternoon tea and Quiz or game of Boccia, which are set in stone!!
