

## MAYDOWN COMMUNITY ASSOCIATION

The year March 2023 to March 24 was a year of little income or expenditure but on the good side we did receive from different organisations small amounts to carry out various activities. Early in the year we received funding for a fun day which was well attended and enjoyed by that took part. We also had a few one day events including one in the summer that was a big success. At Christmas we received funding that enabled us to have a horse drawn carriage through the streets with Santa and to provide the children with selection boxes in the Maydown and Strathfoyle area. Santa also visited various groups at this time. It was a great success and was enjoyed by all. A big thank you to all that supported our group and look forward to our next year being as successful
