

**FRIENDS OF MILLISLE PRIMARY SCHOOL AND NURSERY UNIT
2022-2023**

NIC 102085

As another school year ends we look back at another successful and busy time. Once again we thank the parents, staff and most importantly the children who attend the Primary School and Nursery Unit. Without the continued support of our FMPS & N we would not be able to raise much needed funds for our school and nursery.

Over this last year money raised was used to purchase a variety of items for the pupils along with support for the staff and pupils. We also purchased new computers for the school and travel subsidy for pupils for their various educational visits.

We were able to continue with our Christmas Ballot along with a magnificent cake raffle which was donated by one of our very generous parents. This year a new fundraiser was introduced and the children were able to create Christmas Cards, mugs, tea towels etc for parents and family and we received commission from this wonderful initiative.

Also our ICT technician took photos of the children and the parents donated to this project and the money raised was divided between the school and Assisi Charity.
