

FRIENDS OF MILLISLE PRIMARY SCHOOL AND NURSERY UNIT 2023-2024

NIC 102085

As another school year ends we look back at another successful and busy time. Once again we thank the parents, staff and most importantly the children who attend the Primary School and Nursery Unit. Without the continued support of our FMPS & N we would not be able to raise much needed funds for our school and nursery.

Over the last year money raised was used to purchase a variety of items for the pupils along with support for the staff and pupils. We also organised a Fitness Freddie event in school which was very popular with both the staff and the children. Travel subsidy for pupils for their various educational visits was also donated to the school.

We were able to continue with our Halloween, Christmas and Easter Ballots along with the Halloween & Valentine discos and a Movie Night for the children. The children once again created Christmas Cards, mugs, tea towels etc for parents and family.

The committee were also involved in the amazing Matilda show at the end of the year and we received a donation from the Howdens Colouring competition for our funds and were delighted that one of our pupils received a prize.
