

STREETBEAT YOUTH PROJECT

WHO WE ARE

We are a registered charity serving 11-25 year olds in the Greater Shankill Area.

We aim to help young people fulfil their potential.

GROUP WORK

Streetbeat runs over 30 personal and social development groups on a weekly basis.

Targeted programmes

ENGAGE - At risk from paramilitary influence

PLACE - Wraparound

Peer Mentors programme

We also provide specialist programmes to support young people on the Autistic Spectrum and young people in care.

ONE TO ONE

Our qualified counsellor provides morning sessions in local secondary schools and afternoon and evening sessions in Streetbeat.

Mentoring sessions provide one to one support with a youth worker. These sessions allow young people to work towards agreed goals and targets with support and encouragement.

Pathways Alternative Education Centre

Our Drop-in service allows young people Year 8 - Year 14 to engage with Streetbeat 2 nights a week across 2 locations.

We provide an alternative, safe environment within the Woodvale and Ballysillan areas.

We also deliver weekly detached street work across Woodvale and Ballysillan.

DROP IN

A group of young people, likely students, are gathered outdoors on a paved area. They are all wearing dark-colored jackets and helmets, suggesting they are participating in an outdoor activity. Several of them are standing with their bicycles. The background shows a line of trees under a cloudy sky.

ADVENTURE PROGRAMME

The programme and activities can be tailored to suit each group. Activities include hillwalking, mountaineering, mountain biking, canoeing, kayaking, archery, climbing, abseiling & much more.

VOLUNTEERING

Young people aged 16 and over have the opportunity to take part in volunteering roles within Streetbeat.

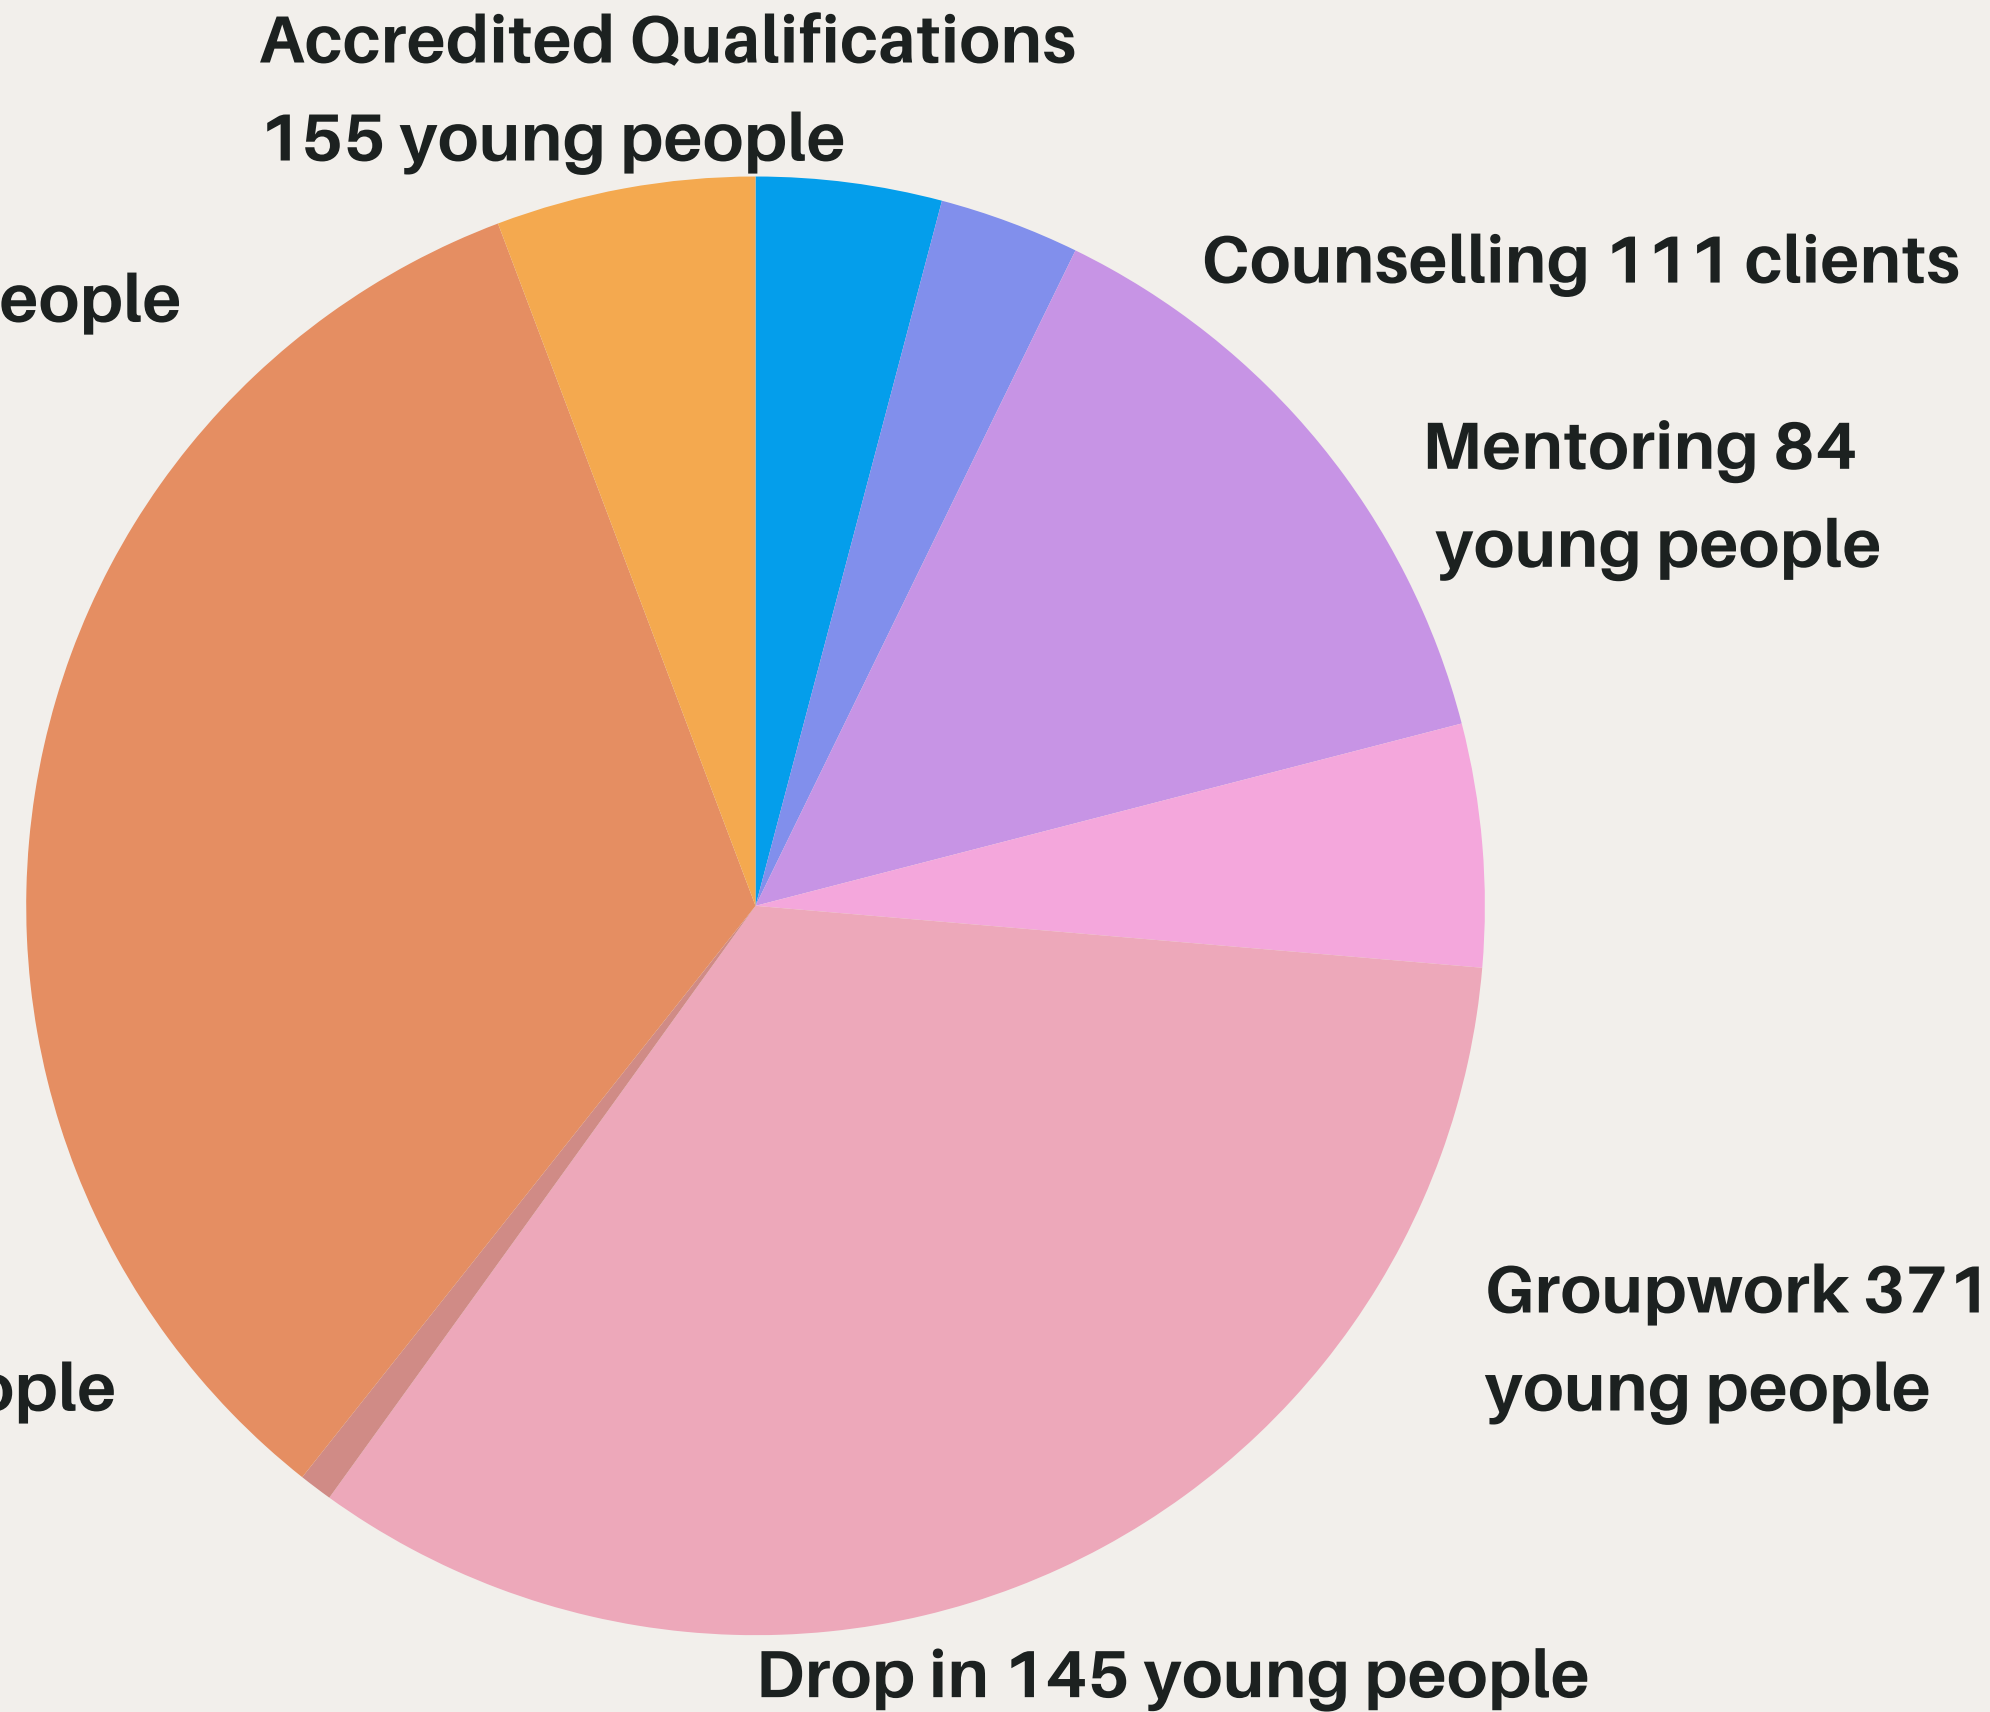

The volunteering programme also offers the opportunity to complete an OCN level 2 in Youth Work.
