Such purposes must be carried out exclusively in a manner that is beneficial to the public and is recognised by the law of Northern Ireland as being charitable.

The Trust shall participate only in initiatives that are reasonably conducive to the realisation of the above mentioned purposes, such initiatives including (but not limited to):

- (i) The support and facilitation of the Church;
- (ii) Raising awareness and understanding of Evangelical Christian beliefs and practices;
- (iii) Carrying out missionary and outreach work with in the community served by the Church; and
- (iv) Holding regular public worship services in the context of the Church.

Review of Activities, Achievements and Performance **Summary of Activities**

Church Community

The primary gathering point for our church community is a Sunday morning with around 700 adults gathering across 2 services. A key element of creating space for our church family is between these services over tea, coffee and snacks.

We continue to gather on the first Sunday evening of each month for our 'Seek First' worship space and meet bi-weekly for prayer on a Wednesday night. On these nights we join our Portadown Church.

We have continued in our primary calling of discipleship, while continuing to dedicate babies, baptise believers, marry and bury people. Endeavouring to do all of these in a context of love, dignity and family.

We continually endeavour to engage with our wider community demonstrating the love of God in words and actions. At both Easter and November half term break we bless the local community with gifts around doors and have organised community events such as firework displays and community fun days.

Life groups

With the larger numbers of people gathering on Sundays, Life groups are a key way for us to be able to connect in smaller numbers and allow people to build intentional relationships. An African proverb says, "If you want to go fast, go alone. If you want to go far, go together"

Around a third of our church members are engaged with life group, with a hope of seeing this increase in the future.

Pastoral Care

As a church, we desire to have a robust pastoral care system, which ensures that people are cared for thoroughly. We have a staff member to coordinate and oversee these processes specifically, while our pastors and volunteer pastoral care team outwork everything on the ground. Life groups (mentioned in the section above) provide a primary form of pastoral care, with group leaders able to feedback information to church leadership, of issues of difficulties which arisen in the lives of those connected to their groups.

Kids

All Sunday Kids environments have been bursting with energy this year as we seek to love and inspire the next generation. Environments are provided for kids aged from 15 months to P7, that include stories from the Bible, worship, memory verses, games, crafts, prayer stations, as well as free & sensory play for our youngest Kingdomers. We started a new environment for Nursery & P1 - bringing us to a total of 5 age specific environments for Kids on Sunday mornings. Kids Ministry themes over the past year have included Women of the Bible, The God Story and a fun 'INSIDE OUT' themed 8 week programme over summer. There is an average of 160 kids coming through the programmes each Sunday morning.

Kids Drop In

Junior Drop In is an environment provided for children in P4-P7 after school mid-week. It has the purpose to have food, fun, for the kids to make friends from other schools, to get support with their homework with the help of our volunteers. This environment is also utilised as an access point for kids to be welcomed into church as for many of these children, it is their first contact point with Emmanuel. From this environment, many of our kids start attending our Friday night and Sunday environments. We have between 12-15 who attend weekly from a range of different schools.

Tiny Tots

Tiny Tots is an environment that provides a place for parents and carers to bring their children, from the age of 0 - pre-school. It continues to grow with new families attending each week. There is an average attendance of 30 adults & 45 kids, with the majority of parents/carers attending Tiny Tots only having a connection to Emmanuel Church through this ministry. We continue to see an increase of people from many different nationalities. This is only possible because of the strong dedicated volunteer team which has really grown this season.

Quest & Impact

Quest and Impact is an environment that is provided for children in P1 - P7 which runs every Friday night. Quest is for children in P1-P3 and Impact is for P4-P7. The purpose of our Friday nights is to provide a structured programme with a more casual approach after the kids finish a full week of school. Here, the kids learn more about the Bible in a fun and interactive way; and enjoy playing with their friends in a safe environment. This year we have gone through the life stories of Moses and Joshua as well as Kings & Queens of the Bible and Children of the Bible. With 80 children attending each week it is easy to say, Friday nights are the highlights of the week for many children & leaders alike. We are so thankful for the dedicated team of 15 leaders who weekly give up their Friday nights to pour into our kids.

Local Schools

It has been wonderful to work closely with some of our local schools throughout the year taking assemblies in Kings Park, Carrick, Dickson and Moira Primary schools. We have had an excellent opportunity to partner with Aspire & Reach, which has given us extra time in our schedules to give hours towards Carrick on a weekly basis. We had an excellent time hosting the Transition Week for P7's with our local primary schools in June.

Lifegroups

Our P6 & P7 Lifegroup is an environment which involves; connecting with peers, playing games, praying for each other, and reading the Bible together. We have generated an average attendance of 45 kids bi-weekly which creates a positive atmosphere of healthy learning and development within our kids who are seeking it. We had a sleepover in church with this environment for the purpose of providing the kids with preparation before going on our yearly residential as many of them have never stayed overnight away from home before.

46 of our P6 & P7 Lifegroup took off to Kilbroney in May for the residential to where they had a fantastic time building friendships, challenging fears, and seeking Jesus. The weekend finished with a family BBQ and games, which was a huge hit for all 120 people who attended.

Family Ministries

Our heart is very much for family. In 2024, 15 babies were born into our church family and New Baby Hampers were delivered to these families. 13 babies were dedicated into the church family. We have loved our quarterly Saturday mornings with young family stay & play called 'Mini Morning' - it has been a great opportunities for parents and carers to connect. Equally so has our Fostering & Adoption Support Group which meets every other month.

Other Events

NUA- A large team of kids volunteers were involved in organising and running the kids environments at NUA in June. It was a fun packed weekend with a circus theme called 'From Now On'.

Easter Kids Week - In April we hosted our annual Easter Kids Week. This year's theme was 'Finding Jesus'. We had so much fun as we opened the doors to 100 kids and 45 volunteers.

Junior Kids Week -

In July we have a 3 day kids weeks for those going into nursery/P1. We had lots of fun through free play, bible stories, games and sensory play.

for the financial year ended 31 December 2024

Kids Week - We had our annual Kids Activity Week in August where 100 children took part in either a sports or arts program, as well as engaging in Bible lessons. On the Thursday night of this week, we hosted a family night for the children that were involved in the Activity week.

Summer Activity Days - Over summer we hosted 11 activity days to allow kids to gather, build relationships and have fun.

Home For Good Summit - We had the privilege of providing the kids programme for P1-7 at the annual Home for Good Summit.

Shalom - We had the immense pleasure of running multiple kids events in Shalom including a month of weekly kids clubs in May. A Holiday Bible Club in July and a Christmas Party in December.

Youth

Friday night youth

This year we combined Vital and Collective youth environments to create one Emmanuel Youth discipleship environment on Friday nights for young people aged 11-18. This has been a very successful transition. We have witnessed salvations, baptisms and young people growing deeper in their faith and bearing much fruit. We have created space for young people to lead from preaching, hosting and leading worship which has been key in developing young leaders within our church.

Our theme this year was "Tending the Flame" - focusing on how we can keep the fire and passion for Jesus alive and how we sustain our faith over the long term.

In the last year, over 420 different young people attended and we engaged an average of 170 young people per week.

TRUSTEES' ANNUAL REPORT
for the financial year ended 31 December 2024

During this year we took the young people on multiple trips including a weekend away to Greenhill YMCA. Our weekend was fully booked bringing 115 young people on the residential. It was a fantastic time where young people deepened their relationships with peers and leaders, were free in their worship and had life changing encounters with God. We had some of the most powerful prayer ministry times with young people that we've ever had.

FUSE Youth

Over the past year we have witnessed the growth of our FUSE detached Youth work programme largely due to the recruitment of Marty Timlin as our Outward focused Youth Pastor. Since this recruitment, FUSE has grown from an average of 10-15 young people to an average of 35 young people per week.

Kingdom Youth

With changes to Vital and Collective environments on Friday evenings, we also introduced Kingdom Youth on Sunday mornings for ages 11-14. This program aligns with the church's teaching series but is tailored for youth. Around 40 young people participate each week over two services. We also ran a successful youth course for year 10s transitioning into church, led by Robbie and Pastor Phil. It taught the importance of church and Emmanuel's core values and beliefs.

Banquet is for young people deepening their faith and committing to God. It focuses on teaching them to read the Bible and listen to the Holy Spirit. In 2024/25, 10 young people attended Banquet bi-weekly on Sunday nights.

Youth Alpha Course

Through our relationships with local schools, we have been presented with the wonderful opportunity to run the Youth Alpha course in several schools. This year alone, we have conducted the course for 21 classes at Craigavon Senior High, 10 third-year classes at LJHS, and during lunch times at Lurgan College. In total, approximately 650 pupils from Lurgan, Craigavon, and Portadown participated in the program.

At the conclusion of each series of classes, we hosted Alpha round-up sessions where students gathered for pizza, listened to a gospel message, and were given the opportunity to receive prayers. Numerous seeds of faith were planted, many young people were prayed for, and notably, one 16-year-old boy committed his life to Jesus.

Additionally, we distributed numerous Bibles to students who requested them. The participating schools have recognized the benefits of the course and have expressed their desire for us to continue offering it annually. Due to the success of the Youth Alpha course, other schools are now reaching out to invite us to implement the program in their schools, presenting us with further opportunities to expand our outreach.

1 WAY EVENT In October and November 2024, we partnered with Crown Jesus Ministries and local churches to host a city-wide youth outreach at South Lakes Leisure Centre. The initiative included three weeks of school outreach, the main event, and follow-up activities. About 1400 young people attended, with 334 responding to the gospel. It was an incredible experience to lead and run this event.

Uganda

In summer 2024 we took a team of 17 teenagers to Jandira in Uganda for a mission trip. The team led a kids week in the primary school and Bible studies and sports in the secondary school with many of the young people stepping up to lead in different areas. We delivered two women's nights in the church making jewellery and doing arts and crafts. We contributed to the Sunday service in the local church as well.

Lifegroups

In 2024/25 we had 60 girls and 40 boys engaging regularly in Lifegroups. To have 100 young people in regular small groups, praying, reading scripture and keeping each other accountable in their faith is really significant and an important part of their discipleship.

Prayer and Pancakes

6 to 7 young people come to church every Monday morning before school from 8:00-9:00am to start their week off in prayer.

Drop in

In 2024/25 we had 132 different young people attend our Junior and Senior Drop Ins with an average of 40 per week.

Signal Fires

Signal Fires is an initiative where we gather young individuals to pray, worship, and seek God together for a renewed movement of His Spirit in our land. These events are designed to equip young people to pray and encourage them to live mission-focused lives, thus preparing the ground for renewal and awakening.

In September, we collaborated with the Tobar Conference to host a Signal Fires event. This event saw the highest number of participating churches and locations across Ireland, with an attendance of 250 individuals. Notably, five young people dedicated their lives to Jesus during this gathering.

TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2024

We have established a core team that has diligently worked to create a distinct identity for Signal Fires, clarifying its objectives and what it can offer to churches nationwide. This core team now meets monthly to pray and plan, which has provided Signal Fires with much-needed structure and direction.

Looking ahead, we have scheduled four events in Derry, Cork, Dublin, and Belfast over the next 12 months.

Summer Activities

In July and August 2024 we had 200 young people engaging in our summer programme.

MOVE

We brought 35 young people to the CIY Move summer camp in Co. Kildare. It was an incredible time for our young people where many of them had deep encounters with God, were discipled in small groups and made lots of new friends with other young Christians from around Ireland.

NUA We facilitated the youth programme at the NUA Festival with Lagan Valley Vineyard Church. It was a remarkable weekend where many young people experienced freedom and healing in worship. Over the past two years, NUA has significantly impacted our youth, inspiring many to passionately pursue Jesus.

Glo

In 2024 we ran Summer Glo. This is an event where the youth groups from the local churches come together to pray, worship, and serve the people of Lurgan together. We do things like gardening, community clean ups and area fun days. It's great to watch young people from different churches work together to serve and glorify God.

Volunteers

We have established and developed healthy teams with approximately 60 volunteers serving cross all of our youth environments. Rebekah Baker also started her internship with us in September 2024 and she has been a great addition to our team. We have watched her grow in confidence, leadership and authority and has become a capable leader that we can entrust with responsibility. The development of the Intern Programme will be a key priority in 2025.

A big thank you to our amazing volunteers (some pictured below)

Compassion

Over the past year, our work has continued to grow in depth and reach, driven by a passionate team of 72 volunteers and 3 staff members. Together, we've created spaces of welcome, support and transformation, helping individuals navigate hardship while offering pathways to stability and renewed hope. From the warmth of Connect Café and the practical support of Renew, to the empowerment of English lessons and the long term impact of Freedom Foods Pantry, each initiative reflects our commitment to seeing people not only survive difficult times but truly thrive.

Connect Café

Connect Café has continued to flourish as a welcoming and inclusive space with up to 60 individuals regularly attending on Wednesday mornings for coffee, conversation and connection. For many attendees, this remains a critical part of their weekly routine which combats loneliness and provides a measure of structure to the week.

During the winter months, we expanded our outreach by providing hot meals monthly following the café (12:00–1:00 p.m.) serving between 40 to 50 individuals per session. These gatherings offered not only food but also warmth and companionship.

Staff from our local Jobs and Benefits office now visit Connect regularly to support clients with understanding changes to Universal Credit and help them complete forms and paperwork. Although a recent addition, this support has already made a big difference, breaking down barriers and helping people get the outcomes they need.

A significant highlight of the year was our Christmas dinner, where 120 members of the community came together to enjoy a traditional festive meal, followed by games and entertainment. A joyful event that brought a strong sense of celebration and togetherness.

TRUSTEES' ANNUAL REPORT

for the financial year ended 31 December 2024

Throughout the summer we organised day trips to Newcastle, Bangor, and Portrush. These outings are particularly meaningful for many participants offering rare opportunities to travel beyond the local area, enjoy nature, and share a picnic together.

Drop-in Cafes

Our Monday evening (open to all) and Thursday morning (Men's Drop-In) cafés have remained vibrant and well-attended. Collectively, these sessions welcome approximately 70 participants weekly, offering food, social interaction and activities such as pool competitions and games. These gatherings have played a key role in fostering friendships and building community with many describing them as a weekly highlight.

Renew

Renew supported 377 individuals this year through appointments providing clothing and essential items. In addition, we held targeted initiatives including a Winter Coat Drive, Christmas Pyjama Appeal and our annual Uniform Exchange which involved six local schools and redistributed over 2000 items of clothing.

Renew continues to build strong links with Pantry members, allowing us to address practical needs, particularly evident during the winter months, when the coat appeal helped ease financial pressures for families with growing children.

Foodbank

In partnership with our local Trussell Foodbank, we issued 61 vouchers during 2024, supporting approximately 200 individuals in immediate crisis. This relationship remains a vital part of our compassion response to urgent need.

Freedom Foods Pantry

Freedom Foods Pantry plays a key role in our long-term, holistic approach to food insecurity. In 2024 we welcomed 110 new members and recorded 1034 pantry visits.

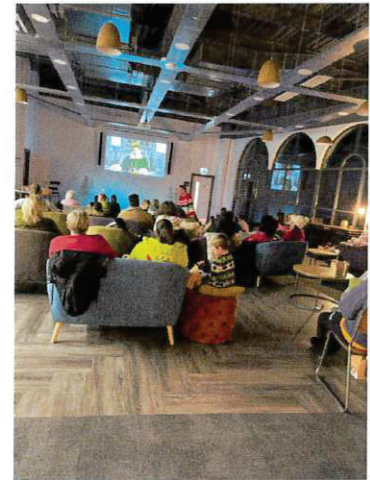

A significant development this year was receiving the Social Supermarket and Wraparound Services Grant in November 2024. This funding enabled us to enhance our food provision, expand support services and improve outreach. We developed promotional videos and multilingual flyers to better explain the social supermarket model and preserve members' dignity and understanding, raising awareness and increasing accessibility to the service.

We also launched the Health for Life Programme in collaboration with health visitors, the Southern Health & Social Care Trust and other professionals. This four-week series addressed topics such as physical health, oral hygiene, first aid, mental well-being, nutrition and child safety, receiving overwhelmingly positive feedback from participants.

English Lessons

Our English language classes have continued to thrive with over 91 students enrolled across three levels. This programme is supported by a dedicated team of volunteers and currently represents learners from 17 countries from Ukraine to Afghanistan. It continues to be a key initiative helping individuals integrate and thrive within our local community.

Christmas Support Program

At Christmas, we delivered 120 festive hampers to our Pantry members and provided gifts for 15 children. In addition, through our Christmas Savings Scheme, parents saved for 22 children, an empowering initiative that enabled families to purchase their own gifts. It was inspiring to see the pride and independence this brought to those involved and we look forward to growing this scheme in future years.

Once again, local businesses and schools partnered with us by collecting food donations and making financial contributions. We were also able to provide gift bags for young adults at Bocombra Residential Home and deliver Christmas presents to 128 children connected with the local charity Aspire.

A true highlight of the season was our visits to Belvedere and Aughnacloy House residential care homes, where we spent a fun afternoon singing carols and sharing festive food with residents, a meaningful time of connection and celebration

Recognition

We were honoured to welcome Her Royal Highness The Duchess of Gloucester in September 2024, recognising the positive impact of our work within the community. The visit was a memorable occasion that left a lasting impression on our team, volunteers and those we serve.

Governance

Our Board of Directors have met regularly and have undertaken a full programme of board strategic and governance activity throughout the year. All company directors have confirmed their willingness and eligibility to act as a Director and have declared that they do not have any conflict of interest in doing so. Conflicts of Interest during board meetings are managed as per our agreed policy. There are no related parties or significant interest to be noted. Apart from the lead Pastor, Directors are unpaid and are not remunerated for their trusteeship.

New Directors are recruited as per the Memorandum and Articles of Association. During the year, the Board was strengthened by 3 new members. This helps to diversify board membership and ensures a broad range of skills and experience at Board level. A review of the Articles of Association has occurred during the year which amended the charitable objects to better describe the charitable work of Emmanuel Lurgan Church Trust and to improve the governance arrangements of the Company. As we look ahead to next year, and the continued development of close partnership working with Emmanuel Church Portadown (ECF Trust), the Board of Directors will conduct a due diligence review regarding merging the 2 charitable trusts so that governance arrangements better reflect the one vision, mission and operations of the churches across the City of Craigavon.

Financial Review

The Trustees are very satisfied with this set of financial results. The level of increasing income from our congregation in support of our mission continues to surprise and provide us with reassurance as to what we are doing. We continue to focus on our aims and objectives and concentrate our expenditure on those areas that will enhance and meet our objectives both in the short and medium term. Our net surplus of £51k before depreciation underlines the controls and governance in place within our church. None of this would be possible without the countless volunteers that give freely of both their time and their prayers and we are truly grateful and indebted to all of those people for all they continue to do. The trustees are continuing to work on updating the charity's reserve policy, and aim to create free unrestricted reserves equating to three months' running costs, which would be approximately £130k in total.

Financial Results

At the end of the financial year the charity has assets of £1,515,625 (2023 - £1,557,313) and liabilities of £25,512 (2023 - £61,337). The net assets of the charity have decreased by £(5,863).

STATEMENT OF TRUSTEES' RESPONSIBILITIES

for the financial year ended 31 December 2024

The trustees, who are also directors of The Emmanuel Church Lurgan Trust for the purposes of company law, are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law requires the trustees as the directors to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A (Small Entities). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006 and. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

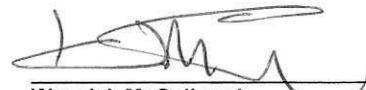

In so far as the trustees are aware:

- there is no relevant audit information (information needed by the charity's auditor in connection with preparing the auditor's report) of which the charity's auditor is unaware, and
- the trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.
