**Trustees Report 2022**

## **St Elizabeth's Church**

### **Aims and purposes**

St Elizabeth's Church Select Vestry (SV) has the responsibility of working with the incumbent, the Reverend Timothy Anderson, in promoting the whole mission of the church, pastoral, evangelistic and social .

The SV is also specifically responsible for the maintenance of the Church Property.

### **Objectives and Activities**

When planning our activities for the year, the incumbent and the SV have considered the Commissions guidance on public benefit and in particular the specific guidance for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our parish community through:

Worship and prayer; learning about the Christian Faith; and developing their knowledge and trust in God.

Provision of pastoral care for people living in the parish.

Missionary and outreach work.

To facilitate this work it is important that we maintain the fabric of the Church at St. Elizabeth's.

### **Achievements and Performance**

The SV are keen to offer a range of services during the week and over the course of the year for our community.

### **Sunday Ministry**

The 10.30am Service would be the main meeting on Sundays with an average congregation of 80 people of all ages. Included in this is a crèche and groups for children of different ages. TASTE started again in September and meets on Sunday evenings and is an informal and relaxed way for believers and unbelievers to explore what the Bible says about faith and life. We have have online streaming of these services.

### Midweek Ministry

St Elizabeth's run a network of Fellowship Groups, meeting bi-weekly, in homes around Dundonald. There are groups meeting on Tuesday evening, Wednesday morning Wednesday evening and Thursday evening. Also, a **Young Adult's Group** meets every Monday evening, which provides a chance to discuss a chapter of a Christian book and pray. **'Rooted** Youth Group gathers on a Friday evening, here we have bible teaching, music, videos, discussion, prayer and various fun activities for children of secondary school age.

### Community

A.B.C (ADULTS...BABIES...CHILDREN) TODDLER GROUP-A.B.C's meet Thursday mornings 9.30-11.00am during term time for food, good fun and fellowship. Each week there is Bible exploration for toddlers, songs and nursery rhymes.

## **DUNDONALD BIBLE MINISTRIES**

Dundonald Bible Ministries has grown out of a gospel partnership between ourselves and two other local churches – Dundonald Presbyterian and Dundonald Baptist. Initially we began with a series of evening meetings during the week before Easter. This partnership has grown and as well as the Easter events continuing we now serve together in children's and youth ministry, and joint services. The essential need for people of all ages to hear and respond to the gospel of Jesus Christ motivates Christians to put aside denominational differences and serve the Lord together. This is a great privilege and joy, and is the purpose of Dundonald Bible Ministries.

Due to the pandemic these services were unable to go ahead. However, at Christmas our church had an outreach programme. We distributed 500 Christmas packs which included Booklets, CD's and sweets to our local community. We also organised a treasure hunt in our local park for families and children at Easter and Christmas.

### **Mission Partners**

St Elizabeth's gives a significant proportion of its income to gospel ministry in other parts of the world and a list of these can be seen on our website.

## **DUNDONALD FOODBANK**

Dundonald Foodbank is one of over 400 Foodbanks throughout the UK, and is run as a joint initiative between seven local churches. In the last 12 months Dundonald Foodbank has helped many people who have found themselves in financial difficulty through no fault of their own. People get into financial difficulty and need the help of the foodbank for a variety of different reasons.

## **LOOKING AHEAD**

### **G2 Project: Gospel and Godliness – A 10 Year Vision**

By 2027 we would like to achieve the following:

1. Small groups to grow from 50% to 75% of the congregation
2. Young Adults- a support network of at least 20 mature Christian believers standing firm for the Lord in their workplace, their college and amongst their friends.
3. A regular midweek gospel ministry to the workplace in Dundonald (e.g. hospital workers, businesses, teachers, public sector workers etc.)
4. Apprentices – an established pattern of appointing one full time apprentice every year for a two year term.
5. Word Ministry Training Team- establishing and running a distance learning course to men and women for word ministry at St Elizabeth's.
6. Women- a regular fellowship that provides formal bible teaching and generates gospel centred friendships.
7. Pastoral Care – a Team of 10 people trained and equipped to read the bible and pray with the sick, elderly and housebound.
8. Theological Training – Supporting and sending at least 4 men to an Evangelical College for ordination and future ministry training in Ireland.
9. A Local Partnership of Anglican Churches initiating, resourcing and supporting a church plant in a significant population centre in Ireland e.g. Galway.
10. An Overseas Gospel Partnership with a church, college or agency where Christians are persecuted minority e.g. South Sudan.

With the G2 Project in mind, a significant decision by the SV in the Autumn was the appointment of a Families Minister to start in August 2023. The role of Families Minister is a senior position within the pastoral team. The Families Minister will partner with the Rector in helping the people of St Elizabeth's meet their principle aims of Reaching the Lost, Building Believers and Sending Workers. Specifically, the Families Minister will serve the church family, of St Elizabeth's, by helping us in our task of making and maturing disciples among the next generation. This job will require an ability to teach and apply the Bible to children and young people, and an ability to use the Bible to train and equip volunteer leaders, parents and the whole church family to be involved in ministry to our young ones.
