The Association met on the 30/1/24 as we had not met for a while, it was proposed we have a table quiz to be held on 17th April 2024. There was a discussion about seeking funding for the hall as the roof and front porch are both in need of repair.

The hall is regularly used with monthly meetings and weekly band practise nights. The hall is also available for rental for Birthday Parties etc to those in the local community.

The Trustees are content that the finances of the Association are in a sound position. There are no outstanding debts. No reserves are held.

The Association are still committed to encouraging people to come to the hall to avail themselves to all that taking occurring in hall.
