Strategic Report

The Directors present their Strategic Report for the year ended 31 October 2024.

Principal activities

The Charity's principal activities are to raise funds to prevent and relieve poverty, promote social inclusion, equality and diversity for the public benefit raising the value of social care and other charitable purposes which are beneficial to the community.

Review of activities and future developments

The results for the year are set out in the Statement of Financial Activities on page 7 and in the related notes.

Future outlook

The future developments in the Charity's activities are discussed in the Directors' Report.

Grant making policy

The Charity seeks applications for grants and other forms of assistance from various parties in the local area and proposals are reviewed and assessed in detail and approved by the Board of Directors.

Reserves Policy

The Directors have reviewed the Charity's requirements for reserves in conjunction with their analysis of the main risks for the Charity.

The unrestricted funds not invested in fixed assets need to be sufficient to cover six months of annual running costs.

At the date of the approval of these financial statements the Charity has approximately 2 months reserves and the Directors recognise that this will require the building up of reserves over the next few years.

However the level and nature of expenditure has been analysed and an assessment made as to how reductions can be made if the need arises. This policy is reviewed annually by the Board of Directors.

Key performance indicators

The Company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business.

Principal risks and uncertainties

The principal risks and uncertainties affecting the Charity are securing grant funding and donations.

The Charity's management endeavours to mitigate these risks by implementing regular strategic and operational reviews.

Financial risk management

The Charity's operations expose it to a variety of financial risks that are analysed under separate subheadings below.

The Charity has a risk management programme in place that seeks to limit the adverse effects of these risks on the financial performance of the Charity.

Credit risk

The Charity does not sell on credit and consequently does not have any credit risk.

Financial instruments

The Charity does not actively use financial instruments as part of its financial risk management.

Liquidity risk

The Charity maintains a mixture of long term and short term debt finance that is designed to ensure that the Charity has sufficient available funds for current operations and planned expansions.

Foreign exchange risk

The Charity's principal operating currency is sterling (£).

The Charity does not have any material transactions in foreign currencies.

The Charity does not have any material exposure to foreign exchange risk.

There were no material events after the year end that require disclosure in the financial statements.

Employees

The Charity's policy is to consult and discuss with employees where appropriate matters likely to affect employees' interests.

Disabled persons

The Charity's policy is to recruit disabled workers for those vacancies that they are able to fill and all necessary assistance with initial training courses is provided. Arrangements are made, whenever possible, for retraining employees who become disabled, to enable them to perform work identified as appropriate to their aptitudes and abilities.

Political donations

The Charity did not make any political donations during the year or in the preceding year.

Directors' responsibilities statement

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Directors' Report

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice (UK Accounting Standards and applicable law).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and the profit or loss of the Charity for that financial year.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures, disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006.

The Directors are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Accounting records

The measures taken by the Directors to secure compliance with the requirements of Section 386 to Section 389 of the Companies Act 2006, with regard to keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The Charity's accounting records are maintained at Manor House Gate Lodge, 3 Ballyards Road, Milford.

Provisions relating to the preparation of the financial statements

This report has been prepared in accordance with the provisions of the Companies Act 2006 relating to small sized companies.

Approval

This Directors' Report was approved by the Board of Directors on 3 July 2025 and signed on its behalf by:

Director

Independent Accountants' report to the Board of Directors on the unaudited financial statements of Icare Incorporated

In accordance with the engagement letter and in order to assist you to fulfil your duties under the Companies Act 2006 we have compiled the financial statements of the Charity for the year ended 31 October 2024 which comprise the Statement of Financial Activities, the Statement of Comprehensive Income, the Statement of Financial Position and the related notes from the accounting records and information and explanations you have given to us.

This report is made to the Charity's Board of Directors, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Charity's Board of Directors that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Board of Directors, as a body, for our work, or for this report.

We have carried out this engagement in accordance with guidance issued by the Institute of Chartered Accountants in Ireland and have complied with the ethical guidance laid down by the Institute relating to members undertaking the compilation of financial statements.

You have acknowledged on the Statement of Financial Position for the year ended 31 October 2024 your duty to ensure that the Charity has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006.

You consider that the Charity is exempt from the statutory requirement for an audit for the year.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

Notes to the financial statements

1. Company Information

Legal status

Icare Incorporated is a private company limited by guarantee established in Northern Ireland.

Registration number and registered office

The Charity's registered office address and registration number is set out on page 1.

Functional currency

The financial statements are prepared in sterling (£) which is the functional currency of the Charity.

2. Basis of preparation of financial statements

Applicable legislation and accounting standards

These financial statements have been prepared in accordance with:

- (i) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102));
- (ii) applicable UK accounting standards including Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland;
- (iii) the historical cost basis of accounting; and
- (iv) the Companies Act 2006.

Going concern

The Charity made a surplus during the year ended 31 October 2024 and, at that date, the Charity's assets exceeded its liabilities.

After making enquiries the Charity's directors consider there is a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future and accordingly have prepared the financial statements on the going concern basis.

Funds

The Charity has various types of funds for which it is responsible and which require separate disclosure. These are as follows:

- (i) restricted funds: income which is earmarked by the donor for specific purposes. Such purposes are within the overall aims of the organisation;
- (ii) unrestricted funds: funds which are expendable at the discretion of the Directors in furtherance of the objects of the Company. In addition to expenditure on transport provision, such funds may be held in order to finance capital investment and working capital; and
- (iii) endowment funds: funds which comprise of unrestricted funds that have been set aside by the Directors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Management and administration costs

Costs that relate to the costs of running the Charity, such as the costs of meetings, audit and statutory compliance and any costs which cannot be specifically identified to another expenditure classification, are separately disclosed as management and administration costs.

3. Judgements and key sources of estimation uncertainty

Judgements and key sources of estimation uncertainty are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical judgements used in the application of accounting policies

There were no critical judgements used in the application of accounting policies and the preparation of the financial statements.

Notes to the financial statements**Critical accounting estimates and assumptions**

There were no critical accounting estimates or assumptions used in the application of accounting policies and the preparation of the financial statements.

4. Principal accounting policies**Property, plant and equipment**

Plant and other equipment is stated at purchase cost, net of depreciation and any provision for impairment.

The carrying value of plant and equipment is reviewed for impairment in each accounting period if events or changes in circumstances indicate the carrying value may not be recoverable.

Depreciation is calculated to write off the cost of plant and equipment, less any estimated residual values, over the expected useful economic lives of the assets concerned. The principal annual rates and bases used for this purpose are as follows:

Asset category	Basis of amortisation	%
Office equipment	Straight Line	25.00%
Fixtures and Fittings	Straight Line	25.00%

Notes to the financial statements

Turnover

Turnover represents amounts receivable for goods and services net of value added taxes and trade discounts.

Investment Income

Income from deposits is included, together with any related tax credit, in the Income Statement on an accruals basis.

Foreign Currencies

Transactions denominated in foreign currencies are translated into Sterling at the rate of exchange ruling at the date of the transaction.

At the end of each financial accounting period assets and liabilities denominated in foreign currencies are translated into Sterling at the exchange rates ruling at that date and all exchange differences are taken to the Income Statement.

Financial Instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship. Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics. Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Notes to the financial statements

Government Grants

Grants that relate to specific capital expenditure are treated as deferred income which is then credited to the Income Statement over the useful life of the related asset.

Revenue grants are credited to the Income Statement in the same period as the related expenditure is incurred.

Deferred taxation

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is recognised on all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Exemption for qualifying entities under FRS 102

The Company is exempt from the requirements of FRS 102 to present a Statement of Cash Flows on the grounds that it is a small sized company.
