Charity Registered Address: 31 O'Cahan Place, Dungiven, BT47 4SX

Charity Number: 102466

Dungiven Celtic Youth Football Club was set up with the aim of providing association football to children of various age groups regardless of religion or ethnic background. The club during the year had over sixteen different boys' and girls' teams playing on various Saturdays providing association football to over 350 children.

The main purpose of our club is to improve the general health and well being of children in our local community by providing them with a fun enjoyable game that they can enjoy in a safe and comfortable supervised surrounding which we provided through out the season.

We also feel we achieved another purpose of helping the children to develop skills on and off the field of play throughout the season, skills like hand eye co-ordination, mobility, throwing and catching all skills that can be transferred to other sports.

We also achieved our purpose of involving local schools and community groups when we helped the local St Patrick's High School field an association football team as it fielded in two different age groups in schools' competitions.

We feel we have achieved our purpose of involving children from all aspects of the community regardless of religion or ethnical background as we have various children from different religious backgrounds representing our club.

Due fund raising and obtaining grants our club had a surplus of £1,956.00 in the fiscal year to 31st March 2023.
