Trustees' Annual Report for the year ended 31st December 2022

The trustees present the annual report for **Newtownards/Ballywalter/Holy Trinity/Down & Dromore/Church of Ireland** for the year ended 31st December 2022.

Objectives and Activities (the wording supplied for Charitable Objectives and Activities were approved by General Synod in 2015.)

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Ballywalter is to support the advancement of the Christian religion by promoting, through the work of Holy Trinity Parish Church, Ballywalter and St Andrew's Church Balligan, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Ballywalter has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of the Parish of Ballywalter.

Achievements, Performance & Public Benefit

1. Achievements and Performance

We have two churches within the Parish of Ballywalter namely

(i) Holy Trinity, Ballywalter built in 1849 and is set in beautiful natural grounds on the East Down coast in the village of Ballywalter

ii) St. Andrew's Balligan built in 1704 and extensively restored in 2004 conserving its original design and appearance. It is set in the countryside approx. 2.5 miles from Ballywalter

The Mission Statement of Ballywalter Parish is 'To explore growing deeper together in our love, faith and our worship to God while sharing his love with our community in Ballywalter'

We achieve this through regular public worship in both churches, and community outreach at local, national and international level.

In Holy Trinity, Ballywalter all of our church activities gradually resumed this year. We started singing in church again and in addition to our morning service at 11.00am, we have two evening services per month at 6pm. These are called HTB6 and are services of contemporary worship with an opportunity to receive prayer.

For the first time in 3 years, we held our Summer Praise service with a bring your own picnic in the church grounds after the service, and on Advent Sunday evening, we had our carol service with the Ballywalter Flute Band welcoming back both congregation and visitors to both services.

We also held a special service for the Royal British Legion and community in remembrance of the late Queen Elizabeth II.

At our Harvest Festival service Harvest we made a collection for the local food bank.

Choral evensong in St Andrew's Balligan started again in April, on 2nd and 4th Sundays at 3.30pm

Sunday Club Our Sunday club for children of primary school age children has taken place regularly all year with increasing numbers of children returning. In August Sunday Club held their first **Teddy Bear's picnic** since Covid. Children had a picnic, games, stories, and brought their teddies!

Youth for Christ Youth Club. Since October 2019 we have partnered with Youth for Christ in hosting a drop-in club in the Parochial Hall, open to all 11 to 18 year olds from the village and district. We kept going throughout COVID with meetings outside in the grounds. Unfortunately our Youth for Christ leader left at the beginning of

Trustees' Annual Report for the year ended 31st December 2022 (continued)

October 2022 and YFC has not yet found a replacement. There have been monthly meetings since then but it is hoped that a new youth worker will be appointed soon.

Our Mothers Union met in May for the first time since covid with breakfast in a local restaurant. Evening meetings on the second Monday of the month resumed in October. We were delighted to welcome 5 new members at this meeting.

Fundraising Activities resumed when we held our **Big Breakfast for Christian Aid** in May raising a record £1,010 for the charity. On four Saturday mornings in July and August we held **our market stalls** which raised £4000 for church funds. This was the first time we were able to hold these events for three years and both were very social occasions much appreciated by the local community. We also had a very successful **Gift Day** in October for church rewiring which raised £7867.

Community Outreach We started a **Soup club** in November from 12-2pm in the parochial hall. This was open to everyone and provided homemade soup, fresh rolls, coffee and traybakes free of charge. It continued into 2023 and changed to a **coffee morning** with home baked scones and traybakes in April and May 2023. It was very well attended and provided much needed social interaction for those living alone. We also ran an **Alpha course**, and a **Holy Spirit themed day** of talks, prayer and contemplation led by Bishop Ken Clarke.

Holy Trinity was represented at the local community meetings to plan the Queen's Jubilee and also gave a donation (from the Mission Fund) towards the event.

Public Benefit

The charitable purpose of Ballywalter Parish is the advancement of religion. This is achieved through Christian witness and outreach, supported by our mission statement to explore growing deeper together in our love, faith and our worship to God while sharing His love with our community. It is delivered through the provision of public worship, and our outreach programme described above. These activities benefit all age groups in our community from children through to our senior citizens, by contributing to the spiritual well-being of the participants and the reinforcement of Christian values. They also provide pastoral support and social intercourse for families, individuals and those who live alone.

There is an ecumenical benefit in that many of our events are supported by all sections of the community. In addition, our HTB6 service provides benefit by providing support for those who are ill or who have family or friends who are ill, and incorporates an opportunity for individuals to benefit from laying-on of hands and anointing with oil. It also provides an opportunity for individual prayer ministry for illness and spiritual need.

Our international outreach benefits the hungry, the homeless, and those in educational need in other parts of the world. Our soup club and contributions to the food bank benefit those who are hungry and in need in our community.

Restrictions: The burial of ashes (in biodegradable containers) in the Garden of Remembrance in Ballywalter is restricted to parishioners or former parishioners. The Graveyard at St Andrew's Balligan is closed.

Health and Safety: We comply with the Church of Ireland Safeguarding Trust Child Protection Policy. In accordance with the law, we also have a Fire Safety Policy and hold regular trainings for our trustees and parishioners on Fire Awareness, First Aid, and Hygiene for Food handling.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Trustees' Annual Report for the year ended 31st December 2022 (continued)

Financial Review

Our finances in 2022 started to recover from the COVID restrictions and Free Will Offerings were still improving due to a continuing increase in church membership, plate collections were still lower because summer visitor numbers had not really returned to normal. We had a very successful Gift Day in October to raise funds for church rewiring and we were able resume our fundraising activities. We were particularly pleased to resume our Big Breakfast for Christian Aid. We also received £1500 from the Diocese in recognition of the difficulties during the COVID19 restrictions. We closed our account with the Ulster bank and transferred the funds into our general account with Santander. As these were mostly restricted funds raised for specific purposes, they have been designated as restricted in this account.

As a result, all of our unrestricted, designated and restricted funds remained solvent and no cash transfers were required.

Our fixed assets, ie church buildings, halls and vicarage, are kept in good repair by a dedicated team of parishioners with the necessary expertise, thus expenditure in this area was for materials only. We also have a team of volunteers who clean the churches and the minor hall.

The parochial hall is currently looked after by a dedicated volunteer. Our organist at St Andrew's Balligan is retired and is self-employed. Holy Trinity currently does not have an organist and we have prerecorded musical accompaniment for the hymns and worship songs.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31st December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18, either resident within the parish or living elsewhere but have been accustomed members of the congregation for at least three months, and pay a traceable free will offering to the parish, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry.

Meetings of the general vestry are held once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The stipend of the Incumbent is paid directly by the Parish. The stipend is in accordance with figures approved by the General Synod of the Church of Ireland for Group E parishes. In 2022 this was £32,223 per annum less national insurance, income tax and employee's pension. The office allowance of £800 per annum also followed approved guidelines.

The locomotory allowance paid was a reimbursement of monthly mileage as submitted by the Vicar and calculated at 45p per mile. For 2022 total cost for the year was £787.73.

Trustees' Annual Report for the year ended 31st December 2022 (continued)

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the churchwardens, and generally not more than twelve other members of the general vestry elected at the General Vestry. Ballywalter Parish is a patronage and consequently does not have glebe wardens or parochial nominators.

The select vestry is chaired by the incumbent or, in her absence, by the Area Dean. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022, the Select Vestry met face to face in the church which had space to allow government restrictions to be applied. They met nine times during the year and the average attendance was 90%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations. The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our independent examiner

In so far as the trustees are aware at the timing of approving our trustees' annual report:

- There is no relevant audit information of which the parish's independent examiner is unaware
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the parish's independent examiner is aware of that information

Independent examiner

We are very grateful to Mr Timothy C. Browne FCA for taking on the responsibility of External Examiner and for examining the 2022 accounts for us.
