

South Tyrone Hospital Local Comforts and Free Funds Committee Report
for year to 31st March 2023

It was a year of little activity. The first meeting since the start of lockdown took place in November 2022. The committee has continued to refurbish and supply planters at various locations on the site of the South Tyrone Hospital and also supplied Christmas Extras for Loane House patients

Although prior to the year ending 31st March 2023, we would like to record our thanks to the Royal School Dungannon who organised an online event which raised £3942 and the Dungannon Swifts Football Club for their generous donation of £3000 both during lock down.

With the committee now meeting more regularly more projects will be considered in line with our constitution which emphasises providing benefit to relieve the needs of patients and users of The South Tyrone Hospital, Dungannon.
