Objectives and activities

Objects and aims

To help relieve poverty and suffering through the provision of humanitarian aid.

To provide donations in support of missionaries and missionary societies as agreed by the trustees' to those charities based in NI and UK for the advancement of religion in promoting faith in Jesus Christ.

The advancement of health by providing donations to charities such as cancer care and research or other debilitating diseases in NI and UK.

Public benefit

The Charity operates from buildings at 22 Seaboughan Road, Markethill, Co Armagh. The site is manned by a team of volunteers, mostly retired ladies and men, and one employee who does general maintenance and driver for collection and delivery of goods.

Members of the public generously donate large quantities of good quality clothing, footwear, bedding, household goods, furniture, building materials, tools, medical aid and cash donations. These are all sorted and transported by container to Project Romania Charity Centre based in Sighasoara, Romania. The distribution of these goods is undertaken by a missionary couple from NI (resident in Romania for 20 years) who are familiar with the desperate needs of people who are deprived, exploited, suffer from poor health, lack of housing, education and employment.

The aim of NHHM charity is to send at least one container of aid per year to this area. The direct benefits are to help clothe, feed, provide bedding, repair shelter, build and furnish new homes for these extremely deprived people, which in turn enables children to go to school, improve general health and reduce stress levels.

Alot of donated goods not suitable to go to Romania. are sold in the charity shop at 22 Seaboughan Road, this helps with the cost of transporting containers to Romania.

To provide funding in support of missionaries and missionary societies as agreed by trustees' for the advancement of religion in promoting faith in Jesus Christ. Volunteers man the charity shop 2 days weekly (Wednesday & Saturday), also use social media to advertise goods, and arrange 1 or 2 sales in the year when the shop is open every day. Fundraising events include coffee mornings, cake sales, fireside quizzes, Christmas sale. Any additional funds have enabled donations to be sent to suppoer missionaries overseas as agreed by the trustees and to support charities who provide care for terminal illness, eg. hospice services.

The trustees confirm that they have complied with the requirements of the Charities Act (Northern Ireland) 2008 to have due regard to the public benefit guidance published by the Charity Commission for Northern Ireland.

Achievements and performance

Trustees' Report (continued)

This year 2023 has been off to a very good start and things have finally started to recover since the outbreak of the Coronavirus Pandemic, everything has returned to normal.

We convey our appreciation to all our hard working volunteers who gave extra time and commitment to achieve the purposes and aspirations of the charity over the entire year.

We sincerely thank the generosity of the general public for donating so much valuable goods to send to Romania or sell in the shop and for all who gave cash donations. Without their support the charity would not be able to operate.

January/February/March 2023

The volunteers returned to open the shop after the Christmas Holiday period and got goods sorted and displayed which were donated in December, as well as attend a steady stream of customers.

April/May/June 2023

Our first committee meeting of the new year was held on 5th April.

Donations of clothing, household goods and offers of good furniture from house clearance required ongoing collection. Sorting, storage, and displaying kept everyone busy. Shop was busy with a steady flow of customers giving a good turnover of sales.

Ongoing correspondence, record keeping, accounts and administration attended too.

July/August/September 2023

Shop closed for two weeks from 8th-22nd July for summer break to give volunteers a chance for family holidays. Ongoing correspondence, record keeping, accounts and administration attended to.

Good turnover of sales in shop.

On 23rd August we sent a cheque to Restore Ministry for £2,000.

Family box appeal letters were prepared and mailed to schools, churches, organisations, clubs and individuals.

Response to family box appeal very encouraging, deliveries coming in every day during last week in September.

October/November/December 2023

October was a very busy time for all volunteers collecting and packing items for family boxes, recording, checking contents, labelling and packing into cartons.

On 2nd October we sent a cheque to Friends of the Cancer Centre for £2,000.

The lorry of aid consignment went out on 17th November 2023.

Committee meeting was held on 13th December.

On 18th December we presented a cheque to Southern Area Hospice for the sum of £3,000.

Noeleen's Helping Hands Markethill

Notes to the Financial Statements for the Year Ended 31 December 2023

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Noeleen's Helping Hands Markethill meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Noeleen's Helping Hands Markethill

Notes to the Financial Statements for the Year Ended 31 December 2023 (continued)

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.
