

Camowen Outreach

Annual Report and Accounts for the year ended 31 December 2023

Trustees' Report

Camowen Outreach is a non-membership organisation which has been set up to help the rural community in the Camowen district of Omagh. Meetings and activities are held in Edenderry Parish Church Hall, 87 Crevenagh Road, Omagh.

The group helps the local community by applying for funding to organise community events to help with social isolation and exclusion in the surrounding rural area.

The activities which took place over the period January to December 2023 were as follows: we received the funding from DAERA to cover the expenses paid out for folding tables, we had a Coronation Celebration to celebrate the King's Coronation which was unfunded, we held an Ulster-Scots Christmas Celebration. All grants have been received to date and all fully paid out again.

We received funding from FODC to help with running costs, Ulster-Scots Agency to run an Ulster-Scots Christmas Celebration. Daera funding is late at roll out last year and has still not been rolled out. We are very grateful for the funding which we receive as this enables us to deliver a service to our community at a reduced rate and pay the rent for our premises. We also had a small draw at Christmas to raise funds for our Christmas Celebration. At the end of the financial year, charity funds totalled £3,075.80.

The trustees of the charity were as follows:
