

Mid Antrim Historical Group NIC 102790

Report for year ending 20 December, 2023

The charity was not active during this period. This was partly due to the delays in life returning to normal post-Covid, but also the serious illness of one of the Trustees, Ivan Herbison, from summer 2023.

It is hoped that, fresh funds having been made available to the charity last year, it will be possible to develop a strategy for the steady disbursement of the present balance by way of assistance for appropriate research and/or competitive essay awards. To this end an early meeting of Trustees is planned.

Dated 3 March, 2025.

Signed..........

Stephen Richards
Trustee
