

Schomberg Fife and Drum

Reivers House

8-12 Newcastle Street

Kilkeel

Co. Down

BT34 4AF

Trustee's Annual Report

1st April 2018 – 31st March 2019

The Schomberg Fife and Drum were very proactive and busy during the above financial year. The organisation performed at a number of events including festivals, concerts and pageants to promote our Ulster-Scots musical culture and traditions.

During this period, the group also facilitated an Ulster-Scots Music Tuition Programme, which tutored both young and older folk the skills of fife, snare drumming and lambeag drumming.

As part of the Fife and Drum's outreach, the group were also involved in living history re-enactments, which created an opportunity for thousands of people to gain a better knowledge and insight into our history and heritage.

The Schomberg Fife and Drum also received funding during this period to purchase a storage container and to deliver the Tuition Project.

Opening Balance - £1038.63

Closing Balance - £516.24
