

FRIENDS FOR ROMANIA : CHAIRMAN'S REPORT : 2022-23

Our schools decided to postpone Romania trips for the year. As a result we were unable to raise any funds during the year and our charity was completely inactive.

Our only expenses for the year were bank fees, website domain renewal fee and accountant's fee.

We intend to review our charity activity for 2023 - 24 as soon as it is feasible to do so.
