Main Activities to further the Charity's purposes for the public benefit

Lincoln Courts Youth & Community Association manage a purpose-built local authority community centre within the Lincoln Courts estate. Our group is a grass-roots community group set up to try and improve the life for the residents within the area and the surrounding areas.

The main activities of our group include running the youth club which is run 5 days a week for 3 different age groups, up to eighteen years old. Activities also include the Senior Citizens luncheon club, the Parent & Toddlers group, older peoples programme and the Women's group. We try to encourage the older residents to participate in various activities within the community. There are also a number of clinics available which include Welfare rights, Housing Executive and other relevant statutory bodies.

The main focus of our activities has been through the youth club which has reached out to all young people within the estate and the surrounding areas to provide them with new opportunities and experiences, to divert them from the ongoing temptation to get involved with anti-social behaviour.
