

St.Patrick's Church, Broughshane

Trustees' Annual Report for the year ended 31st December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Patrick's Church, Broughshane for the year ended 31st December 2022

OBJECTIVES AND ACTIVITIES

The charitable purpose is the expression of the precepts of the Christian religion through engagement with the general public and in particular, with the disadvantaged, the sick, the elderly and the young as a public benefit.

ACHIEVEMENTS AND PERFORMANCE

These can be measured and evidenced through increased social integration and pastoral care delivered at the point of need. The direct benefit of participation in Church life includes the enjoyment of public worship and the giving and receiving of pastoral ministry, improved understanding of the values relating to civic engagement, community cohesion and providing a bridge between diverse groups as well as improved educational outcomes through the Church's ministry of teaching.

The beneficiaries are the general public, and the public valuation of the benefits can be evidenced through attendance at public worship, participation in Church governance and willingness to support through contributions, the continuing witness of the Church. The wider benefit to the public will outweigh any detriment arising in the course of Christian outreach.

The direct benefits flowing from this purpose include the provision of archive records, public enjoyment of cultural and historic buildings and artefacts such as church plate, furnishings and materials as well as an overall improved appreciation of longstanding Christian heritage. This is demonstrated through on-going provision of access to records and the use made of these records in, for example, research and genealogy, through conservation efforts in respect of records, property and artefacts and the subsequent and continued requests for access and use of our materials by wider society.

There is no harm arising from the purpose. The beneficiaries are the general public. No private benefit is received by trustees fulfilling their trustee responsibilities in respect of these records, buildings or artefacts, but in the course of conservation and to make these accessible to the public, the engagement of professional staff and services is essential but incidental to the fulfilment of the purpose.

PUBLIC BENEFIT

The Charity Trustees have complied with their duties in line with the Commission's Public Benefit statutory guidance. Regular worship and reaching out into the community as well as other activities both social and fundraising have been carried out through the year to fulfil our statement of Public Benefit.

St Patrick's Church Broughshane facilitates and enables Christian worship and discipleship within the Anglican Tradition. This is done through various models, including traditional and contemporary expressions twice a month (second and fourth Sundays), blended worship twice a month (first and third Sundays), a weekly Mid-week communion service and monthly prayer meetings. This is supplemented by various community formulation events such as lunches, men's breakfasts, Stitch, Knit, and Natter Craft Group, and an annual Easter Egg hunt. Seasonal events include but are not limited to Harvest, Remembrance Sunday, Carol Services, Weekly Coffee morning (following midweek service) and Easter Services. A weekly Sunday Club caters for children and teenagers through a Youth Fellowship/Bible Study and Youth Club. Additionally, partnership with Scouts and Girl Guides allows us to offer further Youth and Children's work.

In 2019, we committed ourselves to the vision statement:

“People who share God's love with the community. By welcoming those who come through the door and serving those outside it.”

And we have sought to fulfil this vision since.

FINANCIAL REVIEW

The freewill and loose offerings which are reported in the General Account for 2022 show a slight increase on those reported in 2021. The General Account closing balance at the end of the year was £43,881 which was an increase on the previous year of £7,762

The financial accounts of the parish also include two smaller accounts which are the Building Fund and Choir Accounts. These accounts are set aside for the maintenance of the church and the operation of the choir respectively.

GOING CONCERN

The trustees have reviewed the finances for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31st December 2022 can be signed off as a going concern
