

Ballyrea Rural Community Group

Trustee Report 2023-2024

For Charity Commission NI

Ballyrea Rural Community Group is based in a rural, quite isolated, area of County Armagh. It is run by a small group of volunteers/committee members namely:

John Orr (Chairperson)
Adrian Irvine (Secretary)
Eleanor Leemon (Treasurer)
Pauline Irvine
Beth Morton
Eric Morton
Roberta Morton
Valerie Orr

Since submitting the last trustee report for 2022-2023, Ballyrea Rural Community Group has not facilitated any events or activities for the local and wider community.

There has been some interest in getting the group up and going again, with the committee meeting on a few occasions and a new committee formed. The new committee is currently looking at submitting some funding applications to try and run something of interest again in the near future, for the local community.
