Statement of Public Benefit

Purpose 1

The expression of the precepts of the Christian religion through engagement with the general public, and in particular with the disadvantaged, the sick, the elderly and the young is a public benefit. This can be measured and evidenced through increased social integration and pastoral care delivered at the point of need. The direct benefit of participation in Church life includes the enjoyment of public worship and the giving and receiving of pastoral ministry, improved understanding of the values relating to civic engagement, community cohesion and providing a bridge between diverse groups as well as improved educational outcomes through the Church's ministry of teaching.

The beneficiaries are the general public, and the public valuation of the benefits can be evidenced through attendance at public worship, participation in Church governance and willingness to support through contributions the continuing witness of the Church. The wider benefit to the public will outweigh any detriment arising in the course of Christian outreach. Any private benefit arising out of the fulfilment of our Christian ministry or to lay staff is essential to the fulfilment of the purpose of the advancement of religion. No Trustee receives remuneration, reward or other private benefit for carrying out their Trustee responsibility.

Purpose 2

The direct benefits flowing from this purpose include the provision of archive records, public enjoyment of cultural and historic buildings and artefacts such as church plate, furnishings and materials as well as an overall improved appreciation of longstanding Christian heritage.

This is demonstrated through on-going provision of access to records and the use made of these records in, for example, research and genealogy, through conservation efforts in respect of records, property and artefacts and the subsequent and continued requests for access and use of our materials by wider society. There is no harm arising from the purpose. The beneficiaries are the general public. No private benefit is received by trustees fulfilling their trustee responsibilities in respect of these records, buildings or artefacts, but in the course of conservation and to make these accessible to the public, the engagement of professional staff and services is essential but incidental to the fulfilment of the purpose.

Financial Position:-

We have ended the year with a loss of £9989.85 in the current account which is mainly due
to the Curate in charge taking over as Incumbent of the Parish, high energy costs and a
reduction in FWO/donations. The Restoration Fund has reduced to £20438.01 despite a
successful Fete and generous donations from parishioners which is mainly due to major
refurbishment within the Church Hall. Obviously this has been a poor annual return and we
need to bear in mind that in 2023 the Incumbent will receive a substantial increase in
