

Trustees Annual Report

Financial Year 6th April 2022 to 5th April 2023.

The trustees are aware of the public benefit statutory requirements.

In the case of Mountain Lodge Pentecostal Church the ministry of the Christian Gospel is promoted on a weekly basis in the church as well as through various community outreaches, cross-community fun days, children's and youth activities and camps. The poor and aged in the area have benefited from regular 'friendship visits' in their own home by leaders of the church, as well as those in hospitals and care homes.

We held our annual Easter Camp this year, which was well attended, with a good number of people staying on site, some for the first time. The weekend proved to be a great source of blessing and inspiration to all who attended. The Leadership are grateful for the assistance of our members in helping to make this happen.

Following the renovation and extension of our main building, an Official Opening & Dedication Service was arranged, which was well attended.

In June, we appointed additional Elders and Deacons and an Assistant Pastor, a reflection on the continuing growth of the congregation. It has been encouraging to welcome several new families over the past year. Mr Thomas Bain retired as an Elder / Charity Trustee.

A Youth Club was re-established (following Covid-19) and the enrolment and nightly attendance is very encouraging. The Trustees acknowledge the commitment of all the leaders who volunteer in this respect. Two summer clubs were also ran and proved very popular with children and parents alike.

People at home and abroad continue to benefit from the relief provided through the charitable giving supported by Mountain Lodge Pentecostal Church. These benefits are capable of being demonstrated through the accounts of the church in showing very generous giving, including the inhabitants of orphanages and schools abroad who benefit from the charitable donations generated by the church.

Finances.

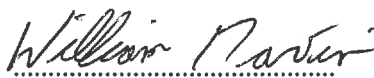

The trustees are grateful for the continuing financial support of the congregation which has enabled us to progress with the work. We have paid off the £17,500 Covid loan and the £50,000 interest free loan taken during the previous year.

The charity's finances are in good standing, with a total income of **£121,786** for this financial year. £11,852 used to meet missions or poverty needs has been distributed through channels that are known to and accountable to us. There are no salaried positions within our church. There are no deficits or shortfalls in our church accounts and no overspend.

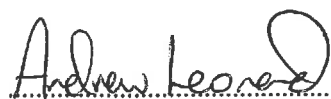

Current Trustees approving the Report.

PASTOR DAVID BELL.
