

Statement of directors' responsibilities etc...

Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP-FRS102;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statement; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure to our Independent Examiners

In the case of each director in office at the date the Directors' Report is approved:

- so far as the director is aware, there is no relevant accounts information of which the charity's independent examiners are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant accounts information and to establish that the charitable company's independent examiners are aware of that information.

Signed on behalf of the trustees
