Colin Neighbourhood Sure Start Project

Report of the Trustees **for the Year Ended 31 March 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Principle Activities and Future Development

The Company encompasses the following activities:

To enhance the development and education of children below statutory age and to relieve poverty, sickness and distress among those in necessitous circumstances in Colin Neighbourhood.

Colin Sure Start is a government led programme working with parents and children under the age of four in the Colin area. Our main focus is to value and support all children aged 0-4 and their families by providing free services, activities and programmes that focus on early education, health, family support and play development.

Our vision is to reach out to families with children aged 0-4 years...laying foundations, creating opportunities and working in partnership to give every child the best possible start in life.

The aims of Sure Start are to complement the work of existing local services and provide young families with advice on where to go and who to speak to, if they have more specialised needs or problems.

The ongoing support that Sure Start provides can help to make sure that children flourish both at home and when they go to school.

Sure Start aims to improve the ability to learn, health and social development of the children that use its services.

The Sure Start programme is supported by a number of key principles:

To coordinate, streamline and add value to existing services for young children and their families in local communities

To involve parents

To avoid stigma

To ensure lasting support

To be sensitive to local families' needs

To promote the participation of all local families

Sure Start work is focused on six high outcomes to ensure children are:

Being healthy

Enjoying learning and achieving

Living in safety and with stability

Living in a society which respects their rights

Experiencing economic and environmental wellbeing

Contributing positively to community and society

Colin Sure Start broadly delivers two types of service in the local community; Early Years Services and Family Services. Within each of these areas we offer a diverse range of programmes, activities and support that families can avail of.

Colin Neighbourhood Sure Start Project

Report of the Trustees for the Year Ended 31 March 2023

OBJECTIVES AND ACTIVITIES

Public benefit

Public benefits are: -

(a) The promotion for the public benefit of urban regeneration in the Colin area and the surrounding catchment areas in Belfast and the city of Lisburn (the "area of benefit"), an area of social and economic deprivation, by all or any of the following means:

1. The development and education of children below statutory age
2. Better understanding of the physical, emotional and mental health needs of children and adults in the community with better health and well-being will having an impact from pregnancy to early development
3. The relief of poverty in such ways as may be thought fit
4. The provision of recreational facilities for families or those who by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances, have need of such facilities;

The direct benefits which flow from this purpose are improvements in the social/economic circumstances of parents/children living in the area of benefit including greater access to training and education programmes/guidance, and stronger participation of all age groups. This promotes neighbourhood renewal, resilience and healthier communities. These, benefits are demonstrated through member's feedback, quarterly/annual activity reports and outcomes-based evaluation. This purpose does not lead to harm.

The beneficiaries of this purpose are all parents and children.

(a) private benefit to trustees may arise if the knowledge they gain as a trustee to good governance and urban regeneration is transferable to another setting. These benefits are incidental and necessary to ensure the benefit is provided to the beneficiaries.

(b) To provide encouragement and practical support services to existing and new parents's groups in the area of benefit so as to increase their efficiency and effectiveness in achieving their charitable aims;

The direct benefit which flows from this purpose is that knowledge and skills are transferred to support parents's groups in the area of benefit, increasing levels of skills and capacity to achieve their charitable aims. Evidence to demonstrate this benefit will be the sustainability of parents's and children's activity within the area of benefit. This purpose does not lead to harm.

The beneficiaries of this purpose are all parents and children.

There is no private benefit arising from this purpose.

(c) To develop the capacity and skills of parents in the area of benefit in such a way that they are better able to identify, and help meet, their needs and to participate more fully in society. The direct benefit which flows from this purpose is that through developing a self-help model, families are supported to build their capacity and skills to identify their needs and to develop services to meet their distinct needs. The evidence to demonstrate this benefit is provided from members' feedback, increased representation on community forums/networks, quarterly/annual monitoring and activity reports. This purpose does not lead to harm.

The beneficiaries of this purpose are all families and children.

There is no private benefit arising from this purpose.

(d) To promote social inclusion, equality of opportunity and good relations across all diversity strands, including race, ethnicity, gender, age, sexual orientation, religion and disability and to encourage diversity. The direct benefit which flows from this purpose is that the project will contribute to the development of a more inclusive, equitable and diverse society through delivery of good relations programmes. This will increase local understanding and acceptance of diversity.

These benefits are demonstrated through greater inclusively and diversity within the membership/community. This purpose does not lead to harm. The beneficiaries of this purpose are all parents and children. There is no private benefit arising from this purpose.

Colin Neighbourhood Sure Start Project

Report of the Trustees for the Year Ended 31 March 2023

STRATEGIC REPORT

Financial position

The company had net Outgoing resources for the year of £976 (2022: net incoming resources of £6,917), which reflected the completion of a number of projects during the year. Unrestricted funds increased during the year by £1,358 whilst restricted funds decreased by £2,334.

As we began the 2022 year in April, Covid-19 measures and restrictions were very much still in place, and while face-to-face delivery had returned for the project in our childrens groups and parent support programmes, this was still with significant mitigations in place, including social distancing. This continued to have an impact on the group sizes that the project was able to cater for across many of our postnatal programmes, and there was significant additional work required in implementing safe procedures, risk assessments, additional hygiene measures and planning. But the project, with the experience of the previous period had developed good systems to continue to deliver services in a safe way and these were implemented by a committed staff team who were determined to continue to provide quality early years experiences for parents and families.

We had also experienced increasing demand as services returned to face-to-face delivery following the Covid-19 lockdowns, with high volumes of referrals from external agencies and parents and families themselves coming forward seeking support and services. This was really positive, and demonstrated the value of our work and also perhaps many activities that were taken for granted until they were stopped during lockdowns and their impact was truly felt. But it also meant that a backlog of families who had missed out on these vital social groups and experiences suddenly were all seeking to engage at the same time, and this created challenges for the project, in trying to support all these families and manage this increased demand. In many cases, the project ran additional groups, often delivering back-to-back programmes to facilitate twice the number of attendees. Once again, this is a huge testament to the dedication and commitment of the staff team at Colin Sure Start, stepping up and finding solutions to meet the family's needs. These additional programmes were reflected in our outcomes and outputs report, with many of our business plan targets for delivered programmes being exceeded by significant numbers.

Another challenge that the project had to manage during this accounting year was the rising costs of delivery - energy costs for both gas, oil and electric all increased significantly during the year, and many goods and services that the project require for delivery increased in price due to increased costs of production and transportation. Many of the venues that the project hires or leases to deliver our services in the community passed on these increasing energy costs in the form of higher hourly rates, which also contributed to higher running costs for the project. The project managed this by undertaking a number of efficiency savings: looking at where we could deliver more activities in the same venues, or making better use of venues that the project is able to use for free. We were also helped by the completion of a major and long-planned renovation and upgrade of one of our settings in Lagmore, which added an additional facilitation venue in this area for own exclusive use which gave us significant scope and less reliance on community hire venues.

Colin Neighbourhood Sure Start Project

Report of the Trustees **for the Year Ended 31 March 2023**

One big positive and a major development during the year, as mentioned above, was the redevelopment and complete refit of one of our venues in Lagmore on the grounds of Christ the Redeemer Chapel. Those involved in the project will know this has been something that we have been trying to get resolved for many years; as the classroom that we were renting for the delivery of our Developmental Programme for 2-3 Year Olds was slowly falling into disrepair and the building itself aging and becoming affected by damp and subsidence. We were able to work with the Down and Connor Diocese, who agreed to fund a major and complete refit of the mobile classroom unit, provided that Sure Start were willing to take on the whole building on a 6-year lease. The Board sought advice and the project manager worked closely with representatives of the Diocese on plans and an agreed timescale, with the work all being completed and a grand re-opening of the refurbished building taking place in September 2022. This is really an excellent development for the project, and has allowed not only the resumption of the Developmental Programme for 2-3 Year olds to continue to be delivered on the one side of the building, but another classroom on the other side of the building now supports a range of parent and baby support programmes on a daily basis, with some evening programmes for Antenatal parents also delivered from this venue. This was a real success and the culmination of years of hard work, perseverance and planning, and great commitment and support from the local parish and Diocese to the work that Sure Start is doing.

Staffing continued to be affected by Covid-19 sickness absence and cover for programmes remained challenging, but the project recruited for additional bank staff in Early Years during the year and have increased the staff that have been through checks and vetted on the Bank register now to 3 currently which can help out with cover on short-term basis.

The project also celebrated achieving stage 3 of the prestigious UNICEF BFI accreditation in February, an accolade that acknowledges good practice in supporting breastfeeding and responsive bottle feeding as an organisation. This involved external auditors visiting the project, interviewing staff and parents and review the support structures for breastfeeding that the project has in place. The feedback from assessors was very positive, remarking on the value and good support that parents are receiving to encourage health development but also messages about the close bond and relationship building being so important for new parents and babies.

Principle funding sources

Principle funders are:

- Eastern Childcare Partnership
- SEHSCT - Fruit + Vegetables Programme
- Public Health Agency
- Colin Neighbourhood Partnership

Reserves policy

The Charity is funded by the Eastern Health and Social Services Board through the South Eastern Health & Social Care Trust.

On Occasion the charity also receives restricted income from other funders. The Charity has to monitor its compliance with the policy of funding on a regular basis. Principle funding sources are the Department of Education.

Future plans

The project will continue our work on developing our outdoor play provision, with a number of new programmes already being piloted and rolled out offering parents and children outdoor play opportunities and information about the benefits that these can have on children's health. The project will continue to develop our services for children with additional needs both as home support and small group-based provision based on the needs of the community.

Colin Neighbourhood Sure Start Project

Report of the Trustees **for the Year Ended 31 March 2023**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Governance of the Charity

During the period under review the directors met monthly. Trustees/directors are appointed by nominations made in writing by any existing director. At the General Meeting nominated directors are appointed by election.

Related parties

Colin Neighbourhood Sure Start Project has no directly related parties but does have partner organisations.

Colin Sure Start works closely with a number of partner organisations throughout the Colin area. These partnerships help us achieve a cohesive approach to Early Years education and health promotion in Colin and give local residents the best service that we can.

We currently fund a number of organisations and also work closely in partnership with other relevant bodies.

Barnardos Travellers Early Years' Service - Colin Sure Start currently funds Barnardos to help support local travellers in the Colin area with children from 0-4.

Ionad Na Fuisseoige - Ionad Na Fuisseoige is a local Irish immersion family centre and crèche. Colin Sure Start currently assist the centre to provide one of our Sure Start Developmental Programme for Two Year Olds programmes and a crèche. We also use the centre to deliver a weekly parent and toddlers group and other programmes and activities.

South Eastern Health and Social Care Trust - Colin Sure Start works in close partnership with the SEHSCT to deliver our Speech and Language support programmes.

St Luke's Family Centre - Cara House - Cara House offers support to families in the community through their parents drop in and programme of activities which are supported by our daily crèche facility for children aged 0-4 years. Their range of programmes aim to improve personal development, provide information on family and personal health, learn new skills and support members of the community to move away from the benefits cycle and back into employment if that is their aim. Colin Sure Start currently provides financial assistance to the centre to run their crèche. We also run several programmes and activities in the facility.

Colin Neighbourhood Sure Start Project

Report of the Trustees for the Year Ended 31 March 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The principles of good governance are embedded within all aspects of Colin Neighbourhood Sure Start Project Limited operations with management and staff being keenly aware of the Boards responsibility of ensuring that the organisation protects itself from financial exposure and reputational damage, A close working relationship is maintained between the Board and management to ensure that operationally staff are aware of the standards required of them by the Board and the Board are always in a position to provide guidance and support to management in the discharge of their duties. This two way relationship is the key feature of Colin Neighbourhood Sure Start Project Limited governance arrangements and is a key strength in the company.

A conscientious approach to ensuring that contractual project requirements are achieved has been maintained at all times both in the accounting period being reported on and since Colin Neighbourhood Sure Start Project Limited establishment. Very tight financial controls on expenditure and all financial commitments are maintained at all times and project staff have been trained and have become experienced in budgetary controls. In both these areas ie Project delivery and financial controls management all staff have established close working relationships with funding organisations to ensure all mandatory standards are consistently achieved. Board representatives also actively engage with funding bodies.

The Board, management and staff are fully aware that the nature of the work in which Colin Neighbourhood Sure Start Project Limited is involved can bring with it a high level of scrutiny to ensure that all activities are fully compliant with funding requirements and, therefore, beyond reproach. The Board of Colin Neighbourhood Sure Start Project Limited is, therefore, greatly reassured of the company's compliance with the highest of standards of governance on the basis that all monitoring and evaluation of project delivery demonstrates achievement of all funders objectives and that funders' audits and vouching of financial expenditure and the statutory audit confirm compliance with both probity and regularity in the use of monies received.

EVENTS SINCE THE END OF THE YEAR

Information relating to events since the end of the year is given in the notes to the financial statements.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Colin Neighbourhood Sure Start Project for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

Colin Neighbourhood Sure Start Project

Report of the Trustees for the Year Ended 31 March 2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Lynn Drake & Co Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 4 September 2023 and signed on the board's behalf by:

Miss Carla Leah Fraser - Trustee

**Report of the Independent Auditors to the Trustees and Members of
Colin Neighbourhood Sure Start Project**

Opinion

We have audited the financial statements of Colin Neighbourhood Sure Start Project (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Report of the Independent Auditors to the Trustees and Members of
Colin Neighbourhood Sure Start Project**

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Report of the Independent Auditors to the Trustees and Members of Colin Neighbourhood Sure Start Project

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the company and industry, we identified the principal risks of non-compliance with laws and regulations as those that have a direct impact on the determination of material amounts and disclosures in the financial statements.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements and determined that the principal risks related to revenue recognition. We communicated the identified laws and regulations throughout the audit team and remained alert to any indications of non-compliance throughout the audit. Audit procedures performed included, but were not limited to:

Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;

Reviewing the financial statement disclosures and testing to supporting documentation;

Review of board meeting minutes of those charged with governance;

In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments;

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:-

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charities internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

Perform analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud or error.

**Report of the Independent Auditors to the Trustees and Members of
Colin Neighbourhood Sure Start Project**

Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.

Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Colin Neighbourhood Sure Start Project

Notes to the Financial Statements for the Year Ended 31 March 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

(a) General information and basis of preparation

Colin Neighbourhood Sure Start Project Limited is constituted as a company limited by guarantee incorporated in Northern Ireland (NI042091). In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act (Northern Ireland) 2013, the Companies Act 2006 and UK Generally Accepted Practice..

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Colin Neighbourhood Sure Start Project

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled. Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities (SoFA) when receivable. Income received from collections is recognised when received.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

The charity receives government grants which are detailed within the notes to these financial statements. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

(D) Expenditure recognition

All expenditure is accounted for on an accruals basis, inclusive of VAT which cannot be recovered and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Costs of raising funds includes the costs associated with attracting voluntary incomes;

Expenditure on charitable activities includes those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them; and

Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Colin Neighbourhood Sure Start Project

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

(e) Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on an insert detail basis and other overheads have been allocated on a basis consistent with the use of resources.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

(f) Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Equipment - 25% Straight Line

(g) Financial Instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provision of the instrument.

Basic financial instruments are initially recognised at the amounts receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or relived and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Colin Neighbourhood Sure Start Project

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designed hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain is recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

(h) Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

(i) Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

(j) Leases

Assets acquired under finance leases are capitalised and depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

(k) Tax

No provision is required for taxation as the company is defined as a charity for taxation purposes.

Colin Neighbourhood Sure Start Project

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

The charity is a registered charity and so such is entitled to certain tax exemptions on income and profits from investments and surpluses on any trading activities carried on in furtherance of the charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.

(l) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

(m) Judgements estimates

The following judgements including those involving estimates that have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

(i) depreciation method and asset useful lives

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

Taxation

The charity is a registered charity and so such is entitled to certain tax exemptions on income and profits from investments and surpluses on any trading activities carried on in furtherance of the charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.

Fund accounting

The Charity has various types of funds for which it is responsible, and which require separate disclosure. These are as follows:

(i) Restricted Funds

Grants or donations received, which are earmarked by the donor for specific purposes within the overall aims of the organisation

(ii) Unrestricted Funds

Funds which are expendable at the discretion of the Directors in furtherance of the objects of the charity. Such funds may be held in order to finance capital investment and working capital

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

15. CONTINGENT LIABILITIES

A contingent liability exists to repay grants received should certain conditions not be fulfilled by the charity.

16. RELATED PARTY DISCLOSURES

The South Eastern Health & Social Care Trust paid the Colin Neighbourhood Sure Start Project £21,989 in the year ended 31 March 2023 (2022: £22,022) with regard to salaries and wages for staff seconded to the CNSSP.

Payments were also made on behalf of CNSSP by the South Eastern Health & Social Care Trust to the CNSSP Partners. Total partner spend in the year ended 31 March 2023 was £134,191 (2022: £124,564). A service level agreement has been agreed between CNSSP and each specific partner before processing of these payments.

17. POST BALANCE SHEET EVENTS

There are no events undertaken by the charity after 31 March 2023 to be disclosed in this accounting period.

18. WINDING UP

Every member of the Company undertakes to contribute to the assets of the Company, in the event of the same being wound up while it is a member, or within one year after it ceases to be a member, for payment of the debts and liabilities of the Company contracted before it ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributor's among themselves, such amount as may be required not exceeding one pound.

19. SHARE CAPITAL

The Company is Limited by Guarantee and has no Share Capital

20. COVID-19

The trustees continue to monitor the impact of Covid 19. The trustees believe there is no adjusting events to report after the reporting date. The trustees will continue to monitor the situation closely to secure the viability of the organisation.
