TRUSTEES' ANNUAL REPORT Year Ending 4th June 2024

The Management Committee (Trustees) present this Report and annexed financial statement for the year ending 4th June 2024. The Trustees who served up until year end are listed herein.

PURPOSE:

To promote community participation in healthy recreation by the provision of facilities for recreation or other leisure-time activities in the interests of social welfare for the benefit of the general public in the Banbridge and Dromore areas and the environs of Co. Down without distinction of age, gender, sexual orientation ethnic identity, religious or political beliefs or nationality; and in particular educate and assist individuals within the area of benefit through the provision of Association Football facilities and other recreational activities.

ACTIVITY:

We currently operate several football teams for young people encompassing boys and girls aged from five years upwards and two teams for encompassing men aged from sixteen upwards. We provide facilities for those living in Dromore and the surrounding area for the playing of association football including physical training and health improvement. We also provide facilities non-sporting activities, training and workshops, functions and community events.

PUBLIC BENEFIT:

"To promote participation in healthy recreation, particularly local inhabitants of Dromore and its surrounding areas, without distinction of age, gender, sexual orientation, ethnic identity, religious or political views or nationality by the provision of Association football and other recreational activities. The public benefit from this purpose is the improvement of physical and mental health levels of those who participate in football and other recreational activities provided by the Club. To advance the physical and non-physical education of the local inhabitants of Dromore and surrounding areas through coaching activities and providing facilities for Association football and other sports and recreational activities to develop their physical, social and mental capacity. The public benefit of this purpose is to increase physical skill levels of participants, such as running, jumping, coordination and non-physical skills such as teamwork. To provide and assist in providing facilities for sport and recreation to those local inhabitants who have need for such facilities by reason of their poverty or social or economic circumstances. There is no harm flowing from the purposes. The beneficiaries are the local inhabitants of Dromore and its surrounding areas. There is no private benefit from our purposes – the Club charges fees to cover running costs which are reasonable and transparent."

We believe that, after reviewing our activity for the year past, the Club continues to achieve its stated public benefit.

FINANCIAL REVIEW:

The Trustees report that total receipts amounted to £145595.43 and total payments amounted to £151855.58 giving a deficit of £6260.15 for the year past. The financial statement has been independently examined by David JG Bell, Solicitor.

TRUSTEES' STATEMENT:

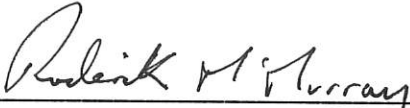

This Report was prepared and approved by the Trustees. The Trustees confirm that insofar as they are aware there is no relevant information which has been omitted from this Report or which has not been reported to the independent examiner.
