OBJECTIVES AND ACTIVITIES

Public benefit

Purpose A

The direct benefit which flows from purpose A includes improved education outcomes reduction in poverty, and to provide facilities in the interest of social welfare for recreation and leisure time occupation, with the object of improving the conditions of life of residents within Blackie River Area (Beechmount ward) and the wider Greater Belfast area. These benefits are evidenced through our programmes, initiatives and services being monitored and evaluated by all participants. The purpose of the charity may lead to the following harm of personal injury through some of our educational programmes, daycare provision and health programme but we can demonstrate that this harm is greatly reduced through our risk management policy and procedures and the benefits to the service users outweigh any of the risks. The charities beneficiaries are the inhabitants of the Beechmount ward, Greater Falls area and the environs of the Greater Belfast Area. The only private benefit flowing from the purpose is the skilling up of staff and the salary which they receive and this is incidental and necessary to run an organisation which operates to the childcare standards, education skills authority, funding requirements.

Purpose B

The direct benefit which flows from purpose B includes promoting cooperation between local community groups with the object of improving the conditions of life for the inhabitants in the area of benefit. These benefits are evidenced through engagement with local residents through surveys, canvasses and questionnaires. It is further evidenced through the participation on local and regional forums and partnerships. The purpose of the charity may lead to the following harm of misrepresenting an individual but we can evidence that all the information which we discuss in forums comes from analysing the data which we have collected. Blackie River Community Group works with local residents to ensure that quality and conditions of housing within the local area are up to standard. In the past we successfully lobbied for new housing as there was a substantial amount of houses with outside toilets and environmental issues. We successfully got the area vested and new 21st century housing built. We run a variety of educational classes which both upskills people and also combat social isolation. We have successfully run a level 5 Childcare management course which means that there are now 14 local people who can now manage a day-care setting.

STRATEGIC REPORT

Achievement and performance

Charitable activities

Our charity found itself like many others in difficult financial times this year due to the current Cost of Living Crisis. We have been applying for external funding to alleviate financial pressures which is ongoing. We were eventually successful in lobbying for a financial assistance package from the government which has gone some way to help our situation. While the charity has not yet undertaken any public fundraising initiatives, we have been successful in seeking and receiving grant funding amounting to £1,015,759 for this year ending March 2023. The breakdown of restricted grants funding can be seen on Note 3 of the accounts.

The funding received assisted the charity in continuing with our aims and objectives, offering vital services in our community such as: providing first class affordable child care, supporting child development, providing support to children with additional needs, promoting Community led education through lifelong learning, providing cultural and arts programmes, working on the regeneration of the area and working with our community partners in the Greater Falls Neighbourhood Partnership Area

Reserves Policy

The charity's policy is to retain a level of free reserves, which matches the needs of the organisation both at the current time and in the foreseeable future. The charity has developed a plan to establish and maintain this agreed level of free reserves. The charity will continue to monitor compliance with this policy on a regular basis and the Board will review the appropriateness of the policy annually.

Financial review

The company had net outgoing resources for the year of £54,017 (2022: net outgoing resources of £24,280), which reflected the completion of a number of projects during the year. Unrestricted funds decreased by £38,717, while restricted funds decreased by £24,280.

The biggest challenge for us is going to be sustaining ourselves through this current pandemic and the current cost of living crisis. The strategic priority will be sustainability. We aim to continue to improve our business / finance model and community development outcomes, to continue to develop a strong board and to inspire and professionalism to our staff.

In terms of sustainability we have:

1. Secured the third tender for the West Belfast Health & Wellbeing Programme.
2. Sought funding for an extension.
3. Secured planning permission for our car park and are in the process of Vesting the land and securing funding to renovate it.
4. Developing a sustainable energy plan, potential solar and battery energy. For the strategic priority of service deliver
 1. We aim to continue to provide first class services to the
 2. community in the fields of child-care, education, art and culture, health, youth and older services and have secured the status of Centre of excellence.

For the strategic priority of infrastructure: We aim to improve the service available in the Beechmount area by lobbying for the improved facilities.

Examples of this are:

1. The development of St James Farm, The contained lobbying for; the Beechmount Triangle site, the car park and the extension to the Blackie River Community Group.
2. Extra provision of alley gates.
3. Working with the Davitts GAC to provide indoor sports provision.
4. Assisting Willowbank FC with a new 3G pitch.
5. Establishment of a Social Supermarket, delivering food vouchers and wraparound support to 270 families

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The principles of good governance are embedded within all aspects of Blackie River Community Group Limited operations with management and staff being keenly aware of the Boards responsibility of ensuring that the organisation protects itself from financial exposure and reputational damage, A close working relationship is maintained between the Board and management to ensure that operationally staff are aware of the standards required of them by the Board and the Board are always in a position to provide guidance and support to management in the discharge of their duties. This two way relationship is the key feature of Blackie River Community Group Limited governance arrangements and is a key strength in the company.

A conscientious approach to ensuring that contractual project requirements are achieved has been maintained at all times both in the accounting period being reported on and since Blackie River Community Group Limited establishment. Very tight financial controls on expenditure and all financial commitments are maintained at all times and project staff have been trained and have become experienced in budgetary controls. In both these areas ie Project delivery and financial controls management all staff have established close working relationships with funding organisations to ensure all mandatory standards are consistently achieved. Board representatives also actively engage with funding bodies.

The Board, management and staff are fully aware that the nature of the work in which Blackie River Community Group Limited is involved can bring with it a high level of scrutiny to ensure that all activities are fully compliant with funding requirements and, therefore, beyond reproach. The Board of Blackie River Community Group Limited is, therefore, greatly reassured of the company's compliance with the highest of standards of governance on the basis that all monitoring and evaluation of project delivery demonstrates achievement of all funders objectives and that funders' audits and vouching of financial expenditure and the statutory audit confirm compliance with both probity and regularity in the use of monies received.
