

The Diamond Community Development Association

CHARITY 103811

Report to Annual General Meeting 28th February 2023 for the financial year ending 31st December 2022.

The Diamond Community Development has been established to organise and facilitate classes and social activities aimed at increasing knowledge and skills, providing social interaction and advice by engaging speakers to deal with topics such as health issues, money management and safety.

After a few years with the difficulties around the pandemic during which we managed to keep "ticking over" we are delighted to once again return to a degree of normality and provide services to the local community.

During the year we were able to organise a range of events and activities aimed at dealing with the issues facing the community.

The retained profits at the end of the year amounted to £551. We have no other assets

The accounts have been prepared by Mr Keith Lutton FCA FIATI and we recommend his reappointment

The Trustees of the Group remain unchanged and are as follows:

Mr Geoffrey Winter
Mr Joseph Campbell
Mr Trevor Geary
Mr Leslie McNeill
Mrs Hilda Winter
Mrs Stephanie Eldon

The Trustees have had regard to the Commission's Public benefit requirement statutory guidance
