

MALAWI MERCY GROUP TRUSTEES REPORT 2022-2023

This year, again, we continue to depend totally on donations from our many benefactors. These generous benefactors continue to contribute on a monthly basis for which we are eternally grateful. Their generosity allows us to support our projects in Malawi.

As before, we send out these donations through telegraphic transfer to our local administrators in Malawi who facilitates their distribution to the numerous areas of need: school fees, blankets, nutritional needs, medicines, fertilizers, vehicle upkeep and the ilk in one of the poorest areas of Africa.
