Trustees Annual Report
St Patrick's Parish Church, Antrim. (NIC 103579)
1st January 2022 until 31st December 2022

Objectives and Activities

The wording supplied for Charitable Objects and Activities were approved by General Synod in 2015.

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish is to support the advancement of the Christian religion by promoting, through the work of St Patrick's Parish Church, the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of Christian religion, the Parish has custody of property and records the maintenance of which is undertaken by the select vestry. See note 1 to the accounts.

Achievements and Performance.

It is the mission of St Patrick's Parish to promote the development of our love, faith and worship to God and to share God's love within the community of Antrim.

Public Benefit

The Charity Trustees have complied with their duties in line with the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Regular worship and reaching out into the community to all age groups, contributing to the Spiritual wellbeing and reinforcing Christian values. This also provides pastoral support and social intercourse for families and for those who live alone. There is an ecumenical benefit in that some of our events are supported by all sections of the community. Our international outreach benefits the hungry, the homeless and those in educational need in other parts of the world.

Health and Safety.

We comply with the Church of Ireland Safeguarding Trust Child Protection Policy.

We also have a Fire Safety Policy and hold Fire Drill four times per year to include the congregation and all other users of the premises and documentation is filed to this effect.

A First Aid station is available to include an eye station, first aid box and Defibrillator and records are entered for any incidents which occur

We comply with Hygiene and Food handling Guidelines.

To comply with current legislation, a safeguarding trust panel is in place. Current panel members are:

Mrs E Walker, Miss M McGerr and Reverend I Magowan.

Finance

The Honorary Treasurer manages the finances and reports back to the Trustees at the monthly vestry meetings. The Trustees oversee the Parish finances and the allocation of all monies. The accounts have been prepared on a receipts and payments basis. Income levels for free will offering and donations increased during 2022. Expenditure levels increased slightly during 2022, partly due to higher heat and light costs.

The Restoration Account funds are earmarked for repairs to church property, paths, buildings restoration etc. During the year works were carried out to the organ, windows etc which resulted in a fall in the balance on the account.

There was no significant movement on the mission or gift accounts. The mission account is used for supporting the work of the church missions and related charities; and the gift account is used for providing gifts at significant events e.g. weddings, christenings etc

General Data Protection Regulation (GDPR)

St Patricks aims to adhere to GDPR.

Going Concern

The trustees have discussed the financial viability of St Patrick's for the year ahead at the Annual General Meeting on 4th April 2022 and are satisfied that there are adequate funds in place to ensure that the parish can continue its activities and financial statements for the year ended 31st December 2022 and can be signed off as a going concern.
