

Trustee Report for Ballyculter and Kilclief Parish Churches

Charity ID number 103585

The Easter vestry meeting for Ballyculter and Kilclief churches was held on Tuesday 18 April 2023 to appoint positions for the coming year. The accounts were reconciled and discussed and verified by Cannon Henry Hull.

Church services are usually held every week between the two churches and attendance by parishioners has much improved. The church hall may need to be painted as there is some damp and mould appearing in areas and this will be done as the hall is let to a yoga and pilates club on a weekly basis and this does provide additional income for the church.

Donations to local charities were delayed until January 2023 but have now been distributed to The Poppy Appeal, The Food bank in Downpatrick and the Bishops Appeal.

The church remains in a stable financial position with income covering all outgoings and expenditure.

Signed Joy Press (Treasurer)
