# THE WALTER WATSON CHARITABLE TRUST

## Report of the Trustees FOR THE YEAR ENDED 29 SEPTEMBER 2024

---

The trustees present their report with the financial statements of the charity for the year ended 29 September 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### OBJECTIVES AND ACTIVITIES

#### Objectives and aims

The Trust exists to advance the Christian religion in any part of the world, and to help in the prevention and relief of poverty, and the provision of healthcare and literacy, and the relief of those in need by reason of youth, age, ill-health, disability or other disadvantage.

The Trust is presently governed by a trust deed dated 29th September 1989. The Trust is established for exclusively charitable purposes and is a registered charity with the Charity Commission for Northern Ireland, NIC103633.

#### Significant activities

The core activities undertaken by the trust are distribution of monies to partnering organisations of similar objectives and aims or to missionaries in the field direct. Communication methods can be through literature or verbal teaching through missionaries. Over the past year we have continued to achieve many good things in terms of fulfilling our charitable aims.

The Trust supports relief organisations operating throughout the world and responds to urgent situations requiring medical and practical aid. The Trustees are satisfied that the distribution of financial grants in 2024 has been in accordance with the Trust's purposes. The Trustees are satisfied that the financial position is strong. Administrative expenditure is minimal and as the distribution of financial grants in the year is determined by the level of donation received in the same year, the Trust does not need to hold any significant amount in cash reserves. The trustees have taken instruction on both the Charities Act 2008. They have considered in particular the obligations imposed under the public benefits test of the Charities Act 2008 and can confirm that the charity meets the criteria set down therein.

Walter Watson Charitable Trust became registered with The Charity Commission for Northern Ireland on 18 September 2015.

#### Public benefit

One of the 12 charitable purposes in the Charities Act (Northern Ireland) 2008 is the advancement of religion for the public benefit. The public benefit that flows from our purpose is Christ-centered Bible based Education, through discipleship proclaiming the Gospel. The ultimate beneficiaries are people in the UK and throughout the world as grants are provided to UK registered charities and charities operating in the developing world. Through the promotion of the Christian Gospel, lives are transformed and there is a public benefit to society as individuals live in accordance with biblical values.

We seek to ensure the financial resources are making a difference by asking for regular feedback from our participants across the various countries. This global partnering with charities enables the advancement of the Christian religion more efficiently and effectively.

The benefits cannot be physically measured, but can be demonstrated through a greater understanding of the Christian religion, and thus a sense of hope in life, improved behaviour and contribution to the mental health and wellbeing to those beneficiaries, who we reach with God's word.

## THE WALTER WATSON CHARITABLE TRUST

### Report of the Trustees FOR THE YEAR ENDED 29 SEPTEMBER 2024

---

#### ACHIEVEMENT AND PERFORMANCE

##### Achievements

In financial terms, the Trustee's key objective is to fund the advancement of the Christian religion in any part of the world. During the year under review, the Trust awarded 117 grants totalling £634,000 to organisations recognised for their work and experience in the areas specified. Beneficiaries are assessed and decisions are made based on our understanding of their ability to use grants wisely in fulfilling their objectives, aligned to the Trust's objectives.

##### Restrictions on who can benefit

Given the broad range of organisations that receive grants from the Trust, there are no restrictions on who can ultimately benefit from the Trust's activities in financially supporting those organisations who are providing services and opportunities for the improvement of all.

##### Harm

In relation to the promotion of the Christian Gospel, whilst people are invited to embrace the Christian faith, any response is entirely voluntary. Most of the Christian organisations supported by the Trust are long established and have good reputations in promoting the Christian message, without pressure being exerted on anyone to accept it. It is considered that the public benefits outweigh the potential harm.

##### Private benefit

Most grants are paid direct to registered charities and as such there should be no private benefit. Modest grants to smaller local charities are considered incidental. Any private benefit that may arise is considered incidental to the public benefit.

#### FINANCIAL REVIEW

##### Financial position

In the year to 29 September 2024 the charity had net incoming resources in relation to unrestricted funds of £729,766 with a net outgoing of unrestricted funds of £673,279 including a net loss on revaluation of investment property of (£13,926), resulting in a net surplus movement of £56,487 for the year. This is compared to a surplus of £54,497 in the year ended 29 September 2023.

The charity does not hold restricted funds as at 29 September 2024.

##### Principal funding sources

The principal funding source of the charity during the year was that of rental income.

The charity received grants and donations totalling £118,782 during the year. (2023: £104,790).

##### Investment policy and objectives

Under the Trust Deed, the charity has the power to invest in any way the trustees wish, however in formulating an investment policy, the charity has recognised that whilst it may have surplus funds to invest, these are likely to be called upon in the short term. The policy is to maintain high levels of capital security by minimising interest rate risk, maximising returns and liquidity and maintaining low transaction costs.

##### Reserves policy

The trustees have taken advice from professional advisors in respect of the level of reserves necessary to meet legal and fiscal obligations. In developing this policy factors which have been taken into account included, funding sources, future needs, opportunities, economic conditions, and contingencies. A policy has established whereby unrestricted funds have been designated to an investment fund which will allow The Walter Watson Charitable Trust to achieve its charitable objectives and provide further development of land and property.

Total funds are £8,263,290 less amount already spent on fixed assets of £11,361,822. These reserves have been designated by the trustees towards the development of land and property and the strategy is to continue to build reserves not merely to meet the charity's obligations but also to build surpluses which can be re-invested in developing further services.

### FINANCIAL REVIEW

#### Going concern

The Trustees have reviewed their business plan, forecasts and the level of reserves held by the trust. After making enquiries, the Trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

### FUTURE PLANS

The Trustees' main objective is to secure the longer-term financial viability of the organisation, by deriving a greater return on its existing core activities and investments.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

#### Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

## THE WALTER WATSON CHARITABLE TRUST

### Report of the Trustees FOR THE YEAR ENDED 29 SEPTEMBER 2024

---

#### TRUSTEES' RESPONSIBILITY STATEMENT

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in Northern Ireland is the Charities Act (Northern Ireland) 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity Commission for Northern Ireland and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 5 December 2024 and signed on its behalf by:

Mr J W Watson - Trustee

## **Report of the Independent Auditors to the Trustees of The Walter Watson Charitable Trust**

---

### **Opinion**

We have audited the financial statements of The Walter Watson Charitable Trust (the 'charity') for the year ended 29 September 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 29 September 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Material uncertainty relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Commission for Northern Ireland requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements;
- or
- sufficient accounting records have not been kept; or
  - the financial statements are not in agreement with the accounting records and returns; or
  - we have not received all the information and explanations we require for our audit.

**Report of the Independent Auditors to the Trustees of  
The Walter Watson Charitable Trust**

---

**Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## Report of the Independent Auditors to the Trustees of The Walter Watson Charitable Trust

---

### Our responsibilities for the audit of the financial statements

We have been appointed as auditors under and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with directors and other management, and from our commercial knowledge and experience of the computer component manufacturing and supply sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including Charities Act (Northern Ireland) 2008, taxation legislation and data protection, anti-bribery, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the notes were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

**Report of the Independent Auditors to the Trustees of  
The Walter Watson Charitable Trust**

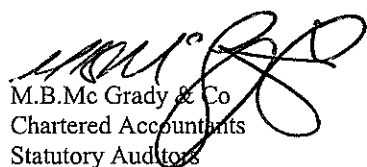

---

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

**Basis of preparing the financial statements**

The financial statements of the charitable trust, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act (Northern Ireland) 2008. The financial statements have been prepared under the historical cost convention.

**Critical accounting judgements and key sources of estimation uncertainty**

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgments made in applying the Trust's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Investment property**

Investment property is shown at the most recent valuation prepared by Colliers International Property Consultants Limited on 06 November 2024. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
