TRUSTEES' ANNUAL REPORT

For the Year ending 31 December 2022

Richardson Memorial Charity Fund — Registered Charity in Northern Ireland No. 103647
Trustees' Annual Report for the year ended 31st December 2022.

The trustees of the Richardson Memorial Charity Fund are pleased to submit their report and accounts for the period 1 January 2022 to 31 December 2022.

Objectives and Activities.

The object of the Fund as set out in our Constitution is that the Fund shall be used: -

1. For the prevention or relief of poverty of Freemasons, their widows or other relatives experiencing financial hardship who are members of lodges under the jurisdiction of the Provincial Grand Lodge of Armagh.
2. For the benefit of any other Masonic charitable institution as the Provincial Grand Lodge of Armagh shall decide.
3. For the prevention or relief of poverty in the Masonic Province of Armagh (comprising the counties of Armagh, Monaghan and Louth) through the provision of financial grants to individuals in need and / or charities or other organizations working to prevent or relieve poverty.

The Fund is managed by a Management Committee which consists of all the appointed trustees and some other senior office holders within the Provincial Grand Lodge of Armagh. A number of the trustees also hold offices within the Provincial Grand Lodge of Armagh. The Management Committee of the Fund met on three occasions in the year 2022, January, June and October, to monitor progress towards the Fund's Objectives and to consider applications for grants from Masonic Lodges within the Province of Armagh. At each meeting the Treasurer presents up-to-date accounts, these are reviewed against applications for grants and forecasted spending. All spending is discussed and approved.

Members of the Management Committee continue to brief members of Masonic Lodges to remind them of the Richardson Memorial Charity Fund, its objectives and how it may be supported.

In setting our objectives and planning our activities for the year the trustees have considered the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

in 2022 the Fund made 20 grants totalling £15,907 and €3,790. While the grants were made towards work in areas focused on addressing community-wide disadvantage we also supported organizations which address issues on a wider geographical basis and

some masonic charities. Local Masonic Lodges would identify the organisation and apply to the Fund for a grant to present to the organisation.
