

The financial position of Rathmullan Parish Church is very good. There are no liabilities as can be seen from the assets and liabilities. The charity has several investments which are all positive and risk adverse. The money generated from the land letting is used for the up keep of the church building and church hall. So in summary the financial position is good.

The year this report relates to is 1<sup>st</sup> January 2022 to the 31<sup>st</sup> December 2022

The Charity's main activities throughout the year were to have church services on a Sunday, A bowling for several months in the autumn and winter and the Evergreens met once in the church hall.

The public benefit as seen by the trustees is to hold a church service to which any member of the public is welcomed providing a service and building to which they can come to worship Jesus Christ.
