Poleglass Community Association @
Sally Gardens Ltd

Report of the Trustees
for the Year Ended 31 March 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Vision

To provide a safe and well resourced centre which is a focal point within an improved Colin community area.

Mission

To provide quality services which help improve quality of life of people in the Colin area.

Poleglass Community Association @
Sally Gardens Ltd

Report of the Trustees
for the Year Ended 31 March 2024

OBJECTIVES AND ACTIVITIES

Public benefit

(A) provide facilities and amenities in the interests of social welfare for recreation and other leisure time occupations with the object of improving the conditions of life for the said residents.

The direct benefits flowing from this purpose include:

- Improved skills development and employment prospects
- Improved sense of community pride and active citizenship
- Improved access to mental health themed initiatives
- Improved health & wellbeing
- Improved health & fitness
- Improved access to sport and leisure

These benefits can be demonstrated by

- Increase in residents gaining employment
- Increase in residents taking part in community events
- Increase in residents volunteering
- Reduction in residents attending GPs
- Reduction in self harm & statistics as reported by SET
- Increased attendance in sport & leisure evidenced through pitch and programme usage.

(B) relieve those in need by reason of youth, age, ill-health, disability or other, disadvantage

The direct benefits flowing from this purpose include:

Reduction in anti-social behaviour, incidents and community related crime

The number of young people attending youth drop in

The number of young people attending youth interventions

The number of residents with a disability attending centre activities.

These benefits can be demonstrated by

Reduction in reported crime identified by NISRA and PSNI statistics

Feedback from resident's surveys

Analysis of completed registration forms

(C) advance education and promote health

The direct benefits flowing from this purpose include:

Increase in education attainment at Level 1 & Level 2

Improved attendance at annual health & wellbeing day.

These benefits can be demonstrated by

Analysis of NISRA statistics of residents gaining qualifications

Reduction in smoking, alcohol & drug misuse as evidence by SET reports

There is no harm arising from our purposes. The charity's beneficiaries are primarily but not exclusively residents living in the Colin area. There is no private benefit flowing from the purposes.

The trustees has complied with the duty to have regard to the guidance issued by the Charity Commission for Northern Ireland under section 4(b) of the Charities Act.

Poleglass Community Association @
Sally Gardens Ltd

for the Year Ended 31 March 2024

OBJECTIVES AND ACTIVITIES

Values

- Empowerment
- Inclusion
- Participation and involvement
- Partnership and collective action

Strategic Aims

To ensure the overall strategic direction for the management of Poleglass Community Association @ Sally Gardens is achieved.

To promote effective usage and sustainability of the centre

To build the capacity of the community through local leadership, centre's users and local groups

To Identify the needs of young people and improve social interaction and opportunities

To promote community health, safety and social wellbeing

To develop, promote and implement a programme of services and activities throughout the year

To establish, develop and maintain high class sports facilities in the area

To promote good relations in the Colin and with other areas

Our funding strategies and operational plan links directly to the aims and objectives of the organisation with funding sourced to direct and deliver on our strategic aims.

**Report of the Trustees
for the Year Ended 31 March 2024**

STRATEGIC REPORT

Achievement and performance

Charitable activities

The community and voluntary sector remain in a period of funding uncertainty while trying to meet the demand for services. PCA @ Sally Gardens remain committed to deliver essential services in areas such as community development, health & wellbeing, regeneration, youth work, providing community facilities, education and training. PCA @ Sally Gardens is a grassroots community organisation delivering frontline services in the Poleglass and wider Colin area. Capacity building has been at the heart of our work linked to a desire for positive change.

The centre remains a vital hub of the community. A strong commitment from our Board, staff and volunteers has created a vibrant welcoming community centre. The range and diversity of services demonstrate front line services is a key priority to meet the growing need of residents living in the Colin area. PCA @ Sally Gardens continues to engage with residents that face a number of barriers including poor mental health, unemployment, lack of qualifications and skills, social exclusion and isolation. We provide services for residents to access advice and support on a range of issues such as, employment, training, health & wellbeing, therapeutic treatments, community crime, community development and tackling anti-social behaviour.

Our aim is to empower residents to create positive change in their communities. The centre is in an area of high deprivation and associated social disadvantage. Our work is about changing lives for local residents and their families. We are a frontline community-based organisation with strong links to local people and understand the many challenges and difficulties people face and it is those challenges and difficulties we aim to tackle which will in turn improve residents situations particularly around service provision and having a sense of purpose and hope for the future.

Curriculum development is a major strength with over 60 different accredited programmes. Staff have developed an enriched, diverse curriculum designed to improve opportunities, emotional wellbeing, social integration, citizenship, volunteering and tackle under achievement to improve opportunities. PCA @ Sally Gardens staff and volunteers have a diversity of skills, qualities and experience developing and delivering accredited and non-accredited programmes in community development, sport, employability, health & wellbeing with a holistic centre based approach. PCA @ Sally Gardens has a proven track record of delivering programmes on good relations, community themed projects, youth, employability and health related areas. Our services remain diverse and needs based to support emotional health and well-being with activities such as Sound Healing, Tai Chi, Qi Gong, Adverse Childhood Experiences, Music Therapy, Mindfulness, Trauma Informed Practice and Yoga, nutritional and fitness advice.

Our Building Your Future (BYF) project was a fantastic success improving employment prospects for unemployed job seekers and economically inactive individuals over the past 6 years, through the provision of an employability programme focusing on preparing individuals to access, prepare, secure and sustain labour market opportunities aligned to the initiatives arising from the significant public procurement capital investment programme across specifically the Colin area of West Belfast and the city growth in general.

**Poleglass Community Association @
Sally Gardens Ltd**

**Report of the Trustees
for the Year Ended 31 March 2024**

The major development this year has been the completion of the extension to our health living centre incorporating a state-of-the-art gym. Classes have been running every day with many residents engaging in other services offered by the centre. The gym will support Good Relations, health & wellbeing by creating a shared, safe space, improving health and wellbeing through individual and group community training, and encourage community citizenship, civic pride and a reduction in anti-social behaviour. The gym extension concept began in July of 2017 from an initial project idea to full business case and completion October 2023, PCA @ Sally Gardens like to extend our thanks to Urban Villages current team and previous staff that have helped along the way. Urban Villages are the principal funder with the shortfall being made up by Belfast City Council.

The centre continues to host vital community services to include counselling, alternative therapies, art, drama, job club, advice clinic, health & fitness, adults based programmes, befriending service, education & training youth drop in and much more. Partnership and collaboration remains a core function, under Urban Villages PCA @ Sally Gardens are the lead in a capacity building programme with Lagmore Community Forum, MELYCA, Ionad na Fuiseoige and Footprints.

We are involved in a range of networks to benefit the community such as, West wide Community in Transition Health & Wellbeing & Community Safety, Mental Health funded Mind Matters sub regional collaborative project involving PCA @ Sally Gardens, County Down Rural Community Network, The Resurgam Trust, Peninsula Healthy Living Partnership will benefit from shared learning from the project. In addition, regional work has becoming a focus as PCA @ Sally Gardens is a member of the Healthy Living Alliance which provides thematic work on social prescribing, physical activity, health campaigns such as national nonsmoking day and world suicide prevention day.

With limited funding PCA @ Sally Gardens have delivered youth-based interventions throughout the year. PCA @ Sally Gardens have a strategic approach to youth work ensuring it mirrors policy such as Priorities for Youth. Sally Gardens Youth provision remains a core area of work for young people in post primary education. Activities provided include drop in, football, personal development programmes and a broad based curriculum of qualifications. Projects are designed and delivered based on the needs of young people. Our youth team work on a daily basis to help build confidence, self-esteem and teach our young people skills for the future. Each route taken depends on the needs of the individual. We have encouraged young people to continue in education, promoted other education/training options or guided young people into employment

PCA @ Sally Gardens have sourced a diverse range of funding from The National Lottery Community Fund, GP Federation, NEA, DfC, Belfast City Council Small Grants, Urban Villages, BCC Capacity Building Grant, DOH Mental Health Fund. CIT Health & Wellbeing, and CIT Community Safety.

Financial review

Financial Review

The company had net incoming resources for the year of £56,809 (2023: net incoming resources of £21,482), which reflected the completion of a number of projects during the year. Unrestricted funds Increased by £60,801, while restricted funds decreased by £3,992.

Principal funding sources

PCA @ Sally Gardens receive funding from Department for Communities and Belfast City Council to undertake core activities that have a positive impact on the Colin area. PCA @ Sally Gardens have sourced a diverse range of funding from, DfC, CIT Health & Wellbeing, CIT Community Safety, Belfast City Council Small Grants, Urban Villages, BCC Capacity Building Grant, National Lottery Community Fund, Education Authority and securing tenders.

Report of the Trustees
for the Year Ended 31 March 2024

STRATEGIC REPORT

Financial review

Reserves policy

The charities policy is to retain a level of free reserves, which matches the needs of the organisation both at the current time and in the foreseeable future. It is the policy of the charity to maintain free reserves in unrestricted funds at a level equivalent to six month's expenditure. The Directors consider that reserves should be the equivalent of six month's personnel and overhead costs, calculated and reviewed annually. Reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year. The charity has developed a plan to establish and maintain this agreed level of free reserves.

The charity will continue to monitor compliance with this policy on a regular basis and the Board will review the appropriateness of the policy annually.

Future plans

Future Developments

PCA @ Sally Gardens continue to try and source additional funding to fill gaps in service particularly around service provision, health & wellbeing, employability, tackling poverty and provision identified by continued community consultations, research reports, project evaluations and current statistics. The new extension to our Healthy Living Centre is a key area to source additional funding focused on improved mental health and social connections.

Growing Concern

Considering the ongoing cuts to the sector a major concerns exits in relation to access to funding and maintaining existing services while trying to develop strategically in terms of financial sustainability.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Governance of the Organisation

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association. During the period under review the directors met on a monthly basis. Trustees/directors are appointed by nominations made in writing by any existing director. At the General Meeting nominated directors are appointed by election. New directors will undertake an induction as per Trustee Induction Policy & Procedures to ensure trustees have a clear understanding of their responsibility to run the charity in line with legal requirements and best practice. The trustees conduct an annual review of the strategic plan and at the same time review board performance. Policies and procedures are reviewed and updated on an ongoing basis.

Key Management Personnel

The trustees annually review the board and senior management team in terms of any skills gaps to ensure a diverse and comprehensive team exists to comprise the key management personnel of the charity in charge of directing and controlling, running and operating the organisation on a day to day basis. All directors give their time freely and no director received remuneration in the year. The pay of all staff is benchmarked against NJC Scales.

**Poleglass Community Association @
Sally Gardens Ltd**

**Report of the Trustees
for the Year Ended 31 March 2024**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that the systems are in place to mitigate any exposure to the major risks.

The trustees have a risk management strategy which comprises:

An annual and mid review of the principle risks and uncertainties that the charity face.

The establishment of policies, systems and procedures to mitigate those risks indented in the annual/mid review.

The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is a major risk and could affect the charity. Attention and priority has been focused on the development of a funding strategy in line with a business strategy developed to maximise income generation, thus securing financial sustainability.

Trustees and senior staff have been focused on non-financial risks arising from fire, health & safety, building maintenance and security. These risks are managed by having robust policies and procedures in place and regular awareness training for staff.

PCA @ Sally Gardens over the past number of years have invested significant time and effort to ensure its management structures and procedures are highly efficient and compliant to meet and exceed the requirements of a wide range of funding bodies.

EVENTS SINCE THE END OF THE YEAR

Information relating to events since the end of the year is given in the notes to the financial statements.

Poleglass Community Association @
Sally Gardens Ltd

Report of the Trustees
for the Year Ended 31 March 2024

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Poleglass Community Association @ Sally Gardens Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charity SORP
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, Lynn Drake & Co Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 25 July 2024 and signed on the board's behalf by:

Michael George (Chairperson) - Trustee

**Report of the Independent Auditors to the Trustees and Members of
Poleglass Community Association @
Sally Gardens Ltd**

Opinion

We have audited the financial statements of Poleglass Community Association @ Sally Gardens Ltd (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Report of the Independent Auditors to the Trustees and Members of
Poleglass Community Association @
Sally Gardens Ltd**

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Report of the Independent Auditors to the Trustees and Members of
Poleglass Community Association @
Sally Gardens Ltd**

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the company and industry, we identified the principal risks of non-compliance with laws and regulations as those that have a direct impact on the determination of material amounts and disclosures in the financial statements.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements and determined that the principal risks related to revenue recognition. We communicated the identified laws and regulations throughout the audit team and remained alert to any indications of non-compliance throughout the audit. Audit procedures performed included, but were not limited to:

Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;

Reviewing the financial statement disclosures and testing to supporting documentation;

Review of board meeting minutes of those charged with governance;

In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:-

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charities internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

**Report of the Independent Auditors to the Trustees and Members of
Poleglass Community Association @
Sally Gardens Ltd**

Perform analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud or error.

Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.

Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Summary of significant accounting policies

a) General information and basis of preparation

Poleglass Community Association Ltd is constituted as a company limited by guarantee incorporated in Northern Ireland NI035195. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act (Northern Ireland) 2013, the Companies Act 2006 and UK Generally Accepted Practice..

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably, and it is probable that the income will be received.

Notes to the Financial Statements - continued
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled. Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities (SoFA) when receivable. Income received from collections is recognised when received.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably, and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

The charity receives government grants which are detailed within the notes to these financial statements. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received, and the amount can be measured reliably. If entitlement is not met, then these amounts are deferred.

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis inclusive of VAT which cannot be recovered and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Costs of raising funds includes the costs associated with attracting voluntary incomes.

Expenditure on charitable activities includes those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them; and Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Notes to the Financial Statements - continued
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

(e) Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on an insert detail basis and other overheads have been allocated on a basis consistent with the use of resources.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

(f) Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Computer Equipment - 25% Straight Line

(g) Financial Instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provision of the instrument.

Basic financial instruments are initially recognised at the amounts receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Notes to the Financial Statements - continued
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designed hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain is recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

(h) Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

(i) Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

(j) Leases

Assets acquired under finance leases are capitalised and depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

(k) Employee benefits

Notes to the Financial Statements - continued
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Basis of preparing the financial statements

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

(l) Tax

No provision is required for taxation as the company is defined as a charity for taxation purposes.

(m) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

(n) Judgements estimates

The following judgements including those involving estimates that have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

(i) principal assumptions used to measure multi-employer defined benefit pension schemes' liabilities, sensitivities to changes in assumptions and future funding obligations

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computers / Equipment - 25% Straight Line

Notes to the Financial Statements - continued
for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Defined contributions plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in the future payments of a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised in finance costs in profit or loss in the period in which it arises.
