We have had a good Guiding year with Leaders across the County meeting together again in large numbers for Trainings and social events; it has been several years since this last happened.

The number of units taking girls on residentials has also increased, many going away again the first time since Covid.

We had an increase in the number of both girls and Leaders from the County attending International Jamborees and once again as a County we have been able to support them financially via our County International grant.

As a County we felt it was important to support our units by contributing some money towards the subscription each Leader pays to Girlguiding UK; this was greatly appreciated. Unfortunately, this year we didn't receive any grants towards this, however we felt it was important we, as a County, still financially supported each Guiding Unit.

There was no harm flowing from the Charities purposes and there was no private benefit.
