

First Ballyclare (High School) Scout Report 2021

Membership bounced back in the second half of the year, up to pre Covid levels, with 55 Group members.

There was limited activity in the first half of the year although some virtual meetings continued but it was great to resume indoor meetings in the Autumn./ A return to being able to use the school facilities was greatly appreciated. Badge work got started again and the delight of being involved again was there for all to see, although Covid precautions were still observed. District events had not yet started but were much anticipated. Once again tribute must be paid to the loyal leaders who faithfully give of their time and talent to ensure that Scouting in Ballyclare remains available. With a limited programme and subscriptions well down, but payments to Headquarters still required, the Group finances were down slightly but still remain healthy.
