

Barnamaghery Rural Society 18.10.2023

The society met on the above date and the chairman welcomed everyone along.

Apologies were accepted from William Pentland and Evelyn Woods.

The main business was to conduct the AGM and elect the officers for the incoming year.

All offices were declared vacant and the chairman asked for proposals for the office of chairman.

William Moody proposed that all officers be re-elected in block, this was seconded by Armour Jackson.

There were no other proposals.

The chairman said that he had arranged for someone to come along to the November meeting to give a talk about bee keeping as this may interest a few members.

There was no other business and the meeting closed with everyone enjoying a cup of tea and a chat.
