

GLOBAL COUNTRY OF WORLD PEACE NI

Independent examiner Report

Accounts for year ending 31st August 2023

This is to confirm that I have inspected the accounts of the Global Country of World Peace NI, and I am satisfied that they are a true reflection of its financial position.

I can also confirm that they continue to hold regular Trustee meetings, and are achieving their aims and objectives of providing the teaching and checking of Transcendental Meditation as laid out in their original statement to the Charity Commission. They are also in the process of constructing a new TM Centre on the Belfast Peace Line at Townsend Street.
