

Trustee Annual Report Form

The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

The various sections meet every Thursday evening during term time, with approximately 30 boys and girls enrolled across Squirrels to Scouts. The children take part in badge work, games, and craft activities.

This was our second 'normal' year back after Covid disruption, and we were glad to be able to take the Cubs and Scouts away to the Shepherd's Lodge, Newcastle, for a weekend camp in May, following a Beaver sleepover/ Squirrel activity day earlier in the year.

The benefit which flows from our purpose is that young people are empowered to make a positive contribution to society through being engaged and supported in their personal development, including physically, intellectually, socially and spiritually. The children enrolled in our group come from the local community, and include immigrants and children with special needs. All are treated equally, regardless of national background or religion.

There was no harm flowing from the Charity's purposes and there was no private benefit.
